FIELD MARSHAL MONTGOMERY
HONOURS MEN OF CANADA

"I have been asked to speak to the people of Canada. It does not seem fitting that I, a soldier, should speak for the people of a great country, but I am one of the few persons who can tell you the plain truth about the deeds of your fighting men, who left the home country to fight overseas for freedom. They can hardly speak of these things themselves. They came from all parts of Canada at the call of duty. They are a true cross section of the people. They have fought under my command in Sicily, in Italy and in Western Europe. In knowing them, I feel I know something of Canada.

For the first time in history, Canada has put into the field an army of her own. I first met and got to know that army in 1941 when General McNaughton was forging the weapons — and right well he did his job. The weapon was well fashioned, and in battle under the able command of General Crerar it stood up to every stress and strain and emerged at the end a magnificent fighting machine. Of all the soldiers that have fought under my command in this Great War, none are finer than the fighting men from Canada. There may be some as good, but none are finer.

* * * * *

It is my earnest desire that I may one day visit your great country — if you ask me. I have fought alongside your men in battle and have many friends in the Canadian forces. I feel that I would like to see the country from which come these magnificent men.

Good bye and good luck to you all."

Headmaster Elect, Ashbury College, 1945*

Foreword

There may be some, and let us hope they are few, who will think it strange that I, as Headmaster-Elect of Ashbury College, should write the foreword to the Bishops' College School Magazine. I consider it an honour, to which, possibly, as an Old Boy of the School, I am not entirely unentitled; and, more significantly, I trust, the beginning of an even more friendly co-operation, and rivalry, between the two schools.

If the B.C.S. Old Boys who have fought, and are fighting, in this war could have one collective wish, I feel it would be that you, the present B.C.S. boys and the generations to follow you, will be spared a similar experience. However, the world, fortunately I think, is not moulded by wishes, but by the actions of all of us who are its citizens whether we care to be or not.

You, then, will play a part, directly or indirectly, great or small, in determining whether that wish is to be translated into fact. If I can give you any advice today it is to pursue that wish, devoutly, in the names of justice and wisdom and with strength. In the following of it, remember, the path must be that of duty, not of interest and that is the bumpiest of roads.

It is, indeed, a tremendous task the most formidable that has ever confronted the world, and the most necessary of achievement. Drake's prayer the day he sailed into Cadiz harbour has helped me many times in the past few years. Perhaps it will help you.

"Oh Lord God, when Thou givest to Thy servants to undertake any great matter, grant us also to know that it is not the beginning, but the continuing of the same until it be thoroughly finished that yieldeth the true glory. Through Him, that for the finishing of Thy work laid down his life, Our Redeemer, Jesus Christ."

You have your task, then, and you must consider yourselves fortunate it is such a noble one. In it I wish you God's speed and God's luck.

Ogden Glass.

Ashbury College, Ottawa.

COMRADES

We fought and lived through the first Great War,
Came back to the same old life;
Though many a man was wounded and killed,
We lived through that terrible strife.

The same time we had gone to school,
Had played on the same grand teams;
Had gone to College with the same young thoughts,
And dreaming the same gay dreams.

And then a battle in France one day,
Fighting a terrible foe;
Our comrades had fallen, mown down by fire,
Died boldly row on row.

Sooner or later we should fall back,
'Twas hard then to retreat;
But the same old spirit of the British men
Kept our boys alert on their feet.

The gas was awful, the shelling worse,
Our nerves were torn to a shred;
But the same old spirit of comradeship
Kept us fighting deadly lead.

I remember how my life was saved
By my comrade brave and true:
The risk he took to save my skin,
I think he hardly knew.

And then the "Cease Fire" came one day;
Our men went wild with joy;
But I could only think just then:
"My life is preserved by a boy."

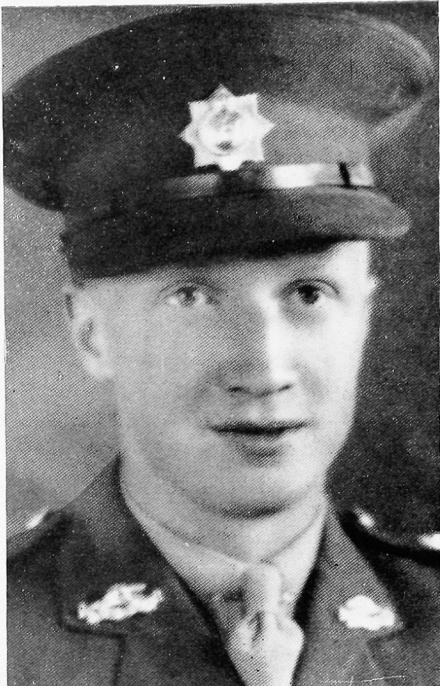

G. A. Furze, Form IIIA.

LIEUT. DAN DOHENY REPORTED SAFE

A cable was received on May 12th by a friend of Lt. Doheny that he "arrived safely in England, was healthy and very happy". Lt. Doheny, son of the late Mr. and Mrs. Hugh Doheny, Roslyn Ave., Montreal, was a prisoner of war at Camp Oflag VII B in Germany. He left Canada with the R.C.A. in August 1940, and was captured at Dieppe on the second anniversary of his departure from here. He is a former graduate of Bishop's College School, Lennoxville, and was well known as a hockey player and track star at McGill University. Lt. Doheny has two brothers overseas since 1940, — Lt. Cmdr. Hugh, R.C. N.V.R., and Captain Billy, 1st Battalion Black Watch, also former students at Bishop's College School and McGill. During the days of "shackling" at this Camp he wrote "It was not much fun at first, but not too bad later when we got used to it". The last letter written from the Camp was dated April 13th, and handed to Brig. W. W. Southam (of Toronto) one of the few prisoners left behind by the Germans and freed by the U.S. 3rd Army, and received in Montreal on May 7th. In one part Lt. Doheny stated "expect the old feet will be pretty tired tomorrow, as we go by Shank's Mare".

THE RECKONING

First with a sigh, then a whisper,
A mutter then, loudly, a word,
Then with a shouting let it be heard:

“We who are few shall be many,
We who are weak shall be strong,
We who have waited shall not wait long.”

This is the cry you must utter,
This is the faith you must build,
This is the voice that must not be stilled.

Rise in its thundering echo,
Rise from your error and shame,
Rise in a glory of fury and flame.

Summon the battered battalions
From cellar and attic room,
Summon them forth from the shadow and gloom.

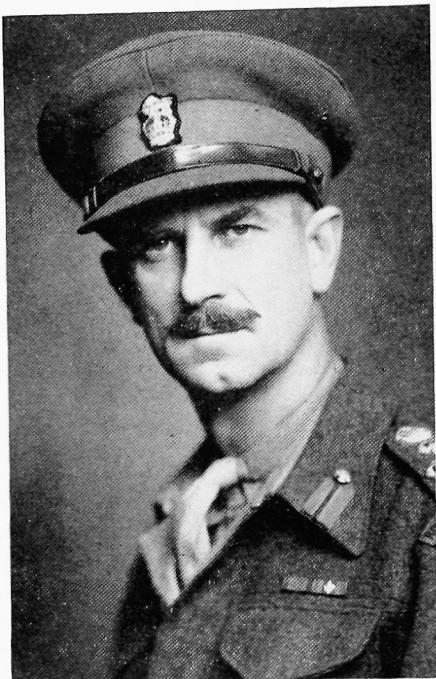

Move to the bitterest battle,
Move to the bitterest fight,
Move with a terrible, merciless might.

Drive through the tempest of terror,
Drive through the grit and the gore,
Drive to the victory final and sure.

We who were few and are many,
We who were weak and are strong,
We who have waited when waiting seemed wrong;

We shall be with you in triumph,
Your freedom and ours shall survive,
Bloodied and torn but, God save us, alive.

robora

Divus Georgius christianorum militum pugnator

Sons of Great Britain
Forget it not where be
things such as Love
and Honour and the Soul
of Man which cannot be
bought with a price and
which do not die with Death

*"In our halls is hung
Armoury of the invincible knights
of old;
We must be free or die, who
speak the tongue
That Shakespeare spoke, the faith
and morals hold
That Milton held."*

Editorial

*If we must part, let this our parting be
Peaceful as break the clouds in sunny skies
And let it be, before all mortal eyes,
As smooth as part the swells upon the sea.*

*And tho' our hearts are bruised, we are the fitter.
Thus may we learn to harbour with content
A bright and dear remembrance. Happy thought,
That memory may sweeten, not embitter.*

There Honour comes

W. COLLINS

Our first duty and privilege, after the victory in Europe, following the splendid example set by our King, the Prime Minister of England and our own Prime Minister is to thank God that we have been preserved as an Empire, as a Canadian people, stronger and more esteemed than ever, and as a School; that through splendid sacrifice we have been preserved as a free people.

We will show our gratitude to those who, through that splendid sacrifice, made the victory possible, by holding them in perpetual memory.

In its own little way the Magazine has tried to do this since the last Great War by keeping the names of those who fell then, prominently before us, devoting two pages in every issue to their memory.

We express our gratitude to Lieutenant C. L. O. Glass, Headmaster Elect of Ashbury College, Ottawa, who at a very busy moment, found time to honour us with a Foreword. His distinguished life is too well known to recapitulate his accomplishments here. He is a Rhodes Scholar and, when here, was a brilliant language scholar, and a grand friend (and

wild, Oh, boy!). We were eagerly looking forward to his return and resuming his work as master here, but we can't win every time and we concede this victory to Ashbury. From our heart we wish him his heart's desire, as tacitly expressed in the Foreword.

* * * * *

The discrepancy in the size of photographs at the beginning of this issue is due to the fact that they were published at different periods during the past five years, now there is a uniform size. There are still many photographs lacking which we would like to have.

* * * * *

We very reluctantly say "Goodbye" to those who are leaving this year. The Prefects and Head Boys had a very high conception of *noblesse oblige* and the Head Prefect is one of the three finest in the last quarter of a century.

MIDSUMMER

Watch the line!—The pace is steady.

All the boys are marching fine.

Ne'er again they'll march together

As to-day—so, keep in line!

Next year some will march as blithely

To another time and tune;

We shall watch them from a distance,

In another, older June.

Still, perhaps, with pace as steady

As was ours—no, not so fine!

There shall never be a better

Than was ours—so, hold the line!

If, in life, we march as steady,

Steps as true as yours and mine;

There shall never be a finer

March than ours—so WATCH THE LINE!

(From "B.C.S.", Christmas 1939)

KEEP TROTH

Darkness now; the lights are shattered,
With heartrending crash.
See! the Beacon lights are burning
Through the jagged gash!

Justice, truth and right triumphant,
These shall never cease.
Fear not, these shall guard you England,
Bringing light and peace.

Justice, blindfold, shields the wronged ones,
Truth keeps troth on high,
Right must ever win unconquered;
These shall never die.

These shall lead us safe to haven;
Freedom still shall stand.
These are beacon lights kept burning
By an unseen Hand.

Chapel Notes

*"O come, let us worship and fall down; let us
kneel before the Lord our Maker."*

Within the compass of a few notes only brief mention can be made of a few outstanding services in the school year. The worship of the School with its varied services of Morning and Evening Prayer and Holy Communion has of course gone on regularly during the year, and these regular services are probably the best indication of the religious life of the School.

There have been, however, services of special significance and interest. There was first the Thanksgiving Service on October 8th, when we had the pleasure of welcoming the Rev. Canon Hepburn, chief Protestant Army Chaplain, and an Old Boy of the School, as our preacher.

On November 12th there was held the Memorial Service for Old Boys who have given their lives in the present war. This was a very beautiful and impressive service, and will be long remembered.

Our monthly Early Communion services have been marked by special prayers for all Old Boys on active service, the wounded, the prisoners, and the fallen.

The Carol Service on December 17th was sung in the traditional manner by the Choir, and enjoyed by all.

On May 13th, the Archbishop of Quebec visited us for our annual Confirmation Service, when 30 boys received the Laying on of Hands.

D. Sheard	

The Headmaster has given two addresses in the Chapel, dealing with the history of the School.

We have had the pleasure of welcoming as visiting preachers the following clergy, to whom we are most indebted for their kindness: Archdeacon Jones; Canon Gilbert Oliver of St. Matthias Church, Westmount; Canon A. R. Kelley of Compton; Professor Elton Scott; the Rev. John Ford, and the Principal of Bishop's University, the Rev. Dr. McGreer.

The Choir

The inclusion of a few events, some pre-arranged and some unforeseen, has added interest to the work of the choir-boys since the beginning of the New Year.

In their order of occurrence, the following are fresh in the memory:

JANUARY 21. The power went off in the Chapel just as we were commencing the Processional. In the dim light, with no organ, the hymn was carried through very well, but no attempt was made to sing the rest of the service.

MARCH 4. We sang Stainer's seven-fold Amen for the first time. We have continued to sing it at the end of each service.

APRIL 22. The choir occupied the stalls at St. George's Church, Lennoxville, for the service of Morning Prayer.

APRIL 29. At the kind invitation of the Rev. Canon Oliver, we sang the Matins service at St. Matthias' Church, Westmount. The church was quite full, inspiring the boys to lead the singing and worship as well as they have ever done.

V-E DAY open air service in the grounds of Bishop's University. Our choir, together with the choirs of many local churches, attended. The effect was marred by an incessant downpour of rain. There was no microphone in front of the choir so that the singing as heard over the radio was confined to one or two voices in front of the microphone on the platform. We were all soaked, but in spite of the fact that the cassocks were bespattered with mud and looked like red rags, the dye did not run. They were all in good shape for the following Sunday service, thanks to the attention of Miss Reyner of the Prep School, whose assistance in the care of the choir robes has been invaluable.

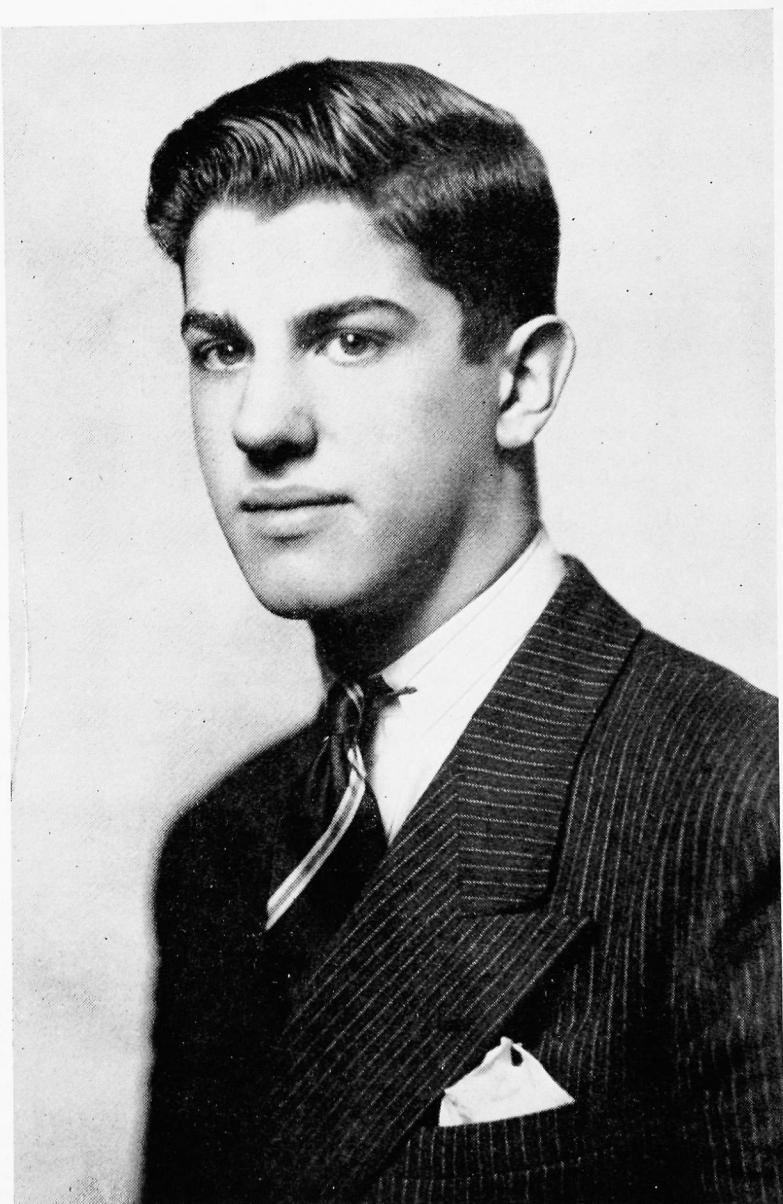

The boys who have contributed to a memorable year of service are:

BASSES. R. J. Byles, E. H. L. Evans, R. H. Pitfield, J. W. Price, R. W. Stevenson.

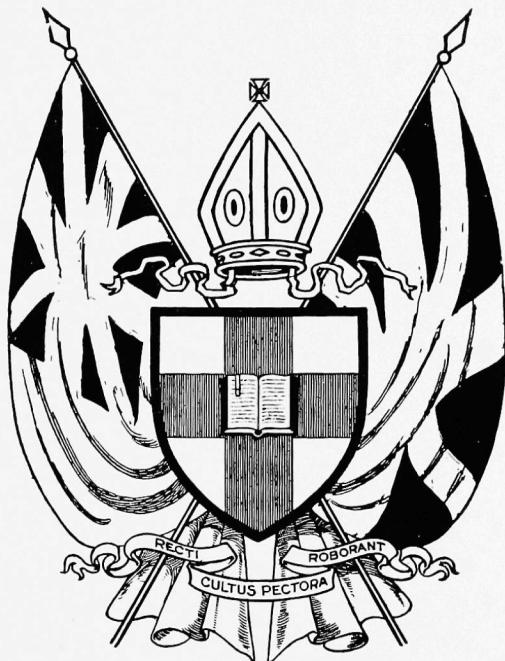

TENORS. R. J. Ford, A. S. Fraser, M. D. Page, H. L. Price, J. A. Sewell, D. N. Stoker, M. S. Wallace.

ALTOS. W. C. Boswell, C. A. Gordon, I. L. McCulloch, F. F. Rider.

TREBLES. D. W. Ashworth, W. W. Badger, D. R. Baird, R. W. Berlyn, C. P. W. Bird, D. G. Campbell, J. D. Chapman, P. C. Cohen, P. B. Glassford, T. W. M. Grier, R. M. Hart, R. G. Jekill, J. McC. Lawrence, D. McC. Lawrence, D. F. L. Martin, L. A. M. Mather, R. C. Morgan, R. C. Neil, W. K. Patterson, R. A. Pattison, C. Rankin, R. Setlakwe, V. Scheib, R. G. Scheib, D. Sheard, A. van Millingen, V. M. Whitehead, J. B. Winder.

HEAD PREFECT
CAPTAIN OF FOOTBALL
CADET MAJOR
CAPTAIN OF HOCKEY
CAPTAIN OF TRACK

CADET CORPS NOTES

This year the Corps has a strength of 124 boys consisting of 78 Cadets and 46 recruits.

Officers: Cadet Major D. N. Stoker
 Cadet Capt. P. R. Satterthwaite
 Cadet Lieut. R. W. Stevenson
 Cadet Lieut. D. O. Foss
 Cadet Lieut. M. S. Wallace
 Cadet Sgt. Major P. D. Graham
 Cadet Q.M.S. P. Graves

ANNUAL INSPECTION. Due to adverse weather conditions the Inspection, originally arranged for May 16th, was called off. It will be held on June 4th. The Inspecting Officer will be Colonel Holloway, Director of Army Cadets.

PARADES. The Corps participated in the parade on V-E Day under bad weather conditions. The parade was held on the playing field of Bishop's University and was also attended by the C.O.T.C.

On May the 24th the Corps took part in a Cadet Display at the Sherbrooke Arena. The Corps put on "Marching on the Colours" and the Junior Platoon displayed "Guard Mounting".

BATTLE DRILL PLATOON. This year the Battle Drill Platoon was under the command of Cadet Lt. Stevenson and Sergeant Mackenzie. The Platoon was instructed by Mr. G. W. Buchanan and was comprised completely of Senior Cadets and N.C.O.'s. The Drill was fundamentally the same as that of last year. Equipment was borrowed from the University.

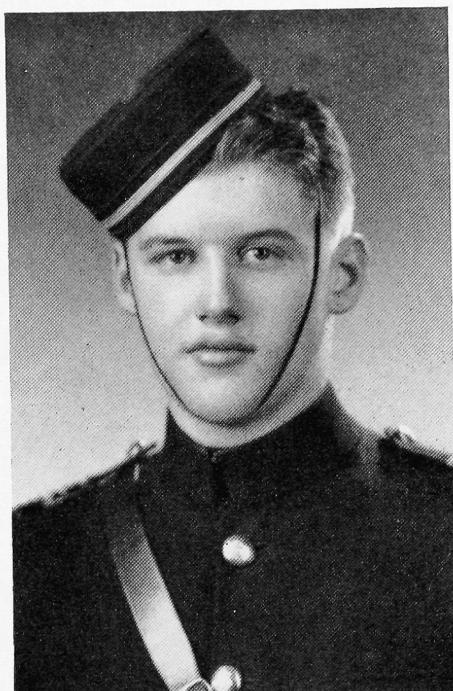

GUARD MOUNTING PLATOON. The Guard Mounting Platoon was comprised of two squads under the command of Cadet Captain Satterthwaite and Cadet Lt. Wallace. It was made up of picked Junior Cadets. This Platoon put on a fine display in Sherbrooke on the 24th of May.

TRAINING. During the school year the Corps went through Cadet Training as laid down by the Director of Army Cadets. The Cadets were graded and issued chevrons according to the amount of training they had completed.

LIEUT. W. H. FISHER

D. N. STOKER
PREFECT
CADET MAJOR
BUSINESS MANAGER, MAGAZINE

TO LENNOXVILLE BY STEAMBOAT—(*Copyright*)

What might be called the “River Steamboat Era” began in America early in the 19th century. The first steamboat built in America ran from Albany to New York on the Hudson. The second was built in Canada by the Hon. John Molson, and was called the “Accommodation”. She ran regularly from Montreal to Quebec; one day to Quebec, returning the next day to Montreal.

Prior to this, all “long distance travel” had been by stagecoach. But the “steamboat habit” grew rapidly; and the success of these two meant that they were quickly copied on navigable rivers. A steamboat soon ran from Sorel up the Richelieu River as far as Chambly. An American steamboat was built to run from the head of Lake Champlain past Burlington and Plattsburgh; to finish up at St. Johns in the Province of Quebec.

This was John Molson’s chance. He built a steamboat with engines strong enough to stem the swift current above St. Helen’s Island; and ran it from Montreal to Laprairie. From there he built the “first Railroad in Canada”, carrying passengers for the 15 odd miles to St. Johns, there connecting with the Lake Champlain boat. Time was not as valuable then as now, and in the summer many travellers took this route — Steamboat from Montreal to Laprairie, railroad from Laprairie to St. Johns, then steamboat to the head of Lake Champlain at Ticonderoga. Coach to Albany, and then steamer “Clermont” down to New York. Altogether a very scenic route.

Then Sir Hugh Allan put the steamboat “Lady of the Lake” on Lake Memphremagog, to run from Magog to Newport at the American end. This got the vigorous city of Sherbrooke excited. So they had a small two-decker steamboat built; with shallow draught, and engines strong enough to buck the swift current of the St. Francis river; and christened her the “Enterprise”. For some summers she ran regularly from Windsor Mills to Lennoxville; of course stopping at Sherbrooke on the way. She spent the night alternately at Windsor Mills and Lennoxville, where she used to put up for the night in the little creek on the mainland side of Butternut Island. She always had plenty of passengers.

But one fine night, when she had a large number of passengers on the upper deck, she put in to “Butternut Creek” for the night, and tied up as usual to a couple of trees. By some accident, a man fell overboard with a splash. He was in no danger of being drowned, but all the passengers on the upper deck rushed to the side to see the fun. The boat slowly careened, rolled over on her side, and sank.

She was never floated. That was the end of the History of the “Enterprise”.

Pemberton Smith (1882-1887)

THE LADY OF THE LAKE

NOCTURNE

There are noises in the night,
Sounds that startle and affright.

There are groanings, there are creakings,
There are shrill, heart-stopping shriekings,
Make you quiver,
 Make you quake,
Make you shiver,
 Make you shake.

There are noises in the night,
And you tremble, as you might.

There are noises in the hallway,
 There are noises from the chairs,
From the curtains in the corner,
 And the carpet on the stairs.

There are noises from the windows
 And from just beyond the door.
There are noises by your pillow,
 Underneath you on the floor.

There are noises in the night
Made by Something gaunt and white.

Pull the bedclothes up around you,
For What Walks By Night has found you.
Can you listen? Can you hear?
Creeping slowly, creeping near?

There are noises in the night,
Sounds that startle and affright,
Made by Something gaunt and white.
Has it feeling? Has it sight?
Is it vicious? Will it bite?
For Heaven's sake, turn on the light!

LAC David Shelley Nicholl,
Bermuda.

Senior Matric

Seventh Form Notes

ROBERT WALTER STEVENSON. Steve came to B.C.S. via the Prep in 1939 and after a successful year he entered the Upper School. His five years in the Upper School have been ones of continuous promotion in every field. For the last two years he has been a Prefect, last year in the Cadet Corps Sergeant, this year a Lieutenant, with the additional rank of Acting Adjutant of the Corps. Steve has also taken a prominent part in the choir during his years here. Due to a back injury he has been unable to take part in any sports this year. However, last year is proof of his ability, having the position of snap on the first football team and defence on the first hockey team. Steve is taking his Senior Matric this year and thence to a university with the best wishes of us all.

P.D.G.

PETER RUSHBROOKE SATTERTHWAITE. Pete came to the Prep in the fall of '39 and immediately started distinguishing himself by making all first Prep teams. Entering the Upper he continued his record and in the Sixth Form where he also got his Matric he was the star bowler of the Cricket Team. Last year Pete was the Sergeant Major in the Cadet Corps and this year he was promoted to Cadet Captain. He played on First Rugby, Hockey and Cricket Teams and now, in the Seventh Form, it seems that he is also going to get his Senior Matric. For the last two years Pete has held the position of Prefect. During the summer he hopes to join the Army where we are sure he will do well. Best of luck, Pete.

D.N.S.

PETER DONALD GRAHAM (1941-45). You read all about Pete in the last Summer Edition of the Magazine. As a Head Boy in the Sixth he got his Junior Matric, surprising those who should have known but overlooked the Irish in him. Pete came back this year to get his Senior before taking a Law course, probably at Toronto, and was made a Prefect at Chapman's House. In sports he was a sub for First Team in football and used a stick to no mean effect on the Prefects hockey team. Persistence brought Pete from a New Boy from the Bahamas to his present position and he had fun getting there. He has carried out the duties of Cadet Sergeant-Major this year, a trying job at times and nice enough at others. Nassau, Pete tells us, is the best place in the world. It has the best of everything and pity help the sceptic. We have heard many stories about life down there and, being as argumentative as the mischief, himself, he has become a successful lawyer. We hope to hear a few more tales at a future date and find out what those weekly letters from Toronto led to.

R.W.S.

ALEXANDER WILLIAM MACKENZIE. After getting himself a pretty good Junior Matric, Mack came back to the Seventh this year as a Head Boy of Williams House and the Sergeant of No. 1 Platoon. Despite a weight handicap he made a good end on the First Football Team and also captained the Ski Team this winter. A lively appreciation of "jive" often has him kicking around the form room to the tune of his own voice. Rarely in a bad humour despite a few pretences at times, Mack gets plenty of fun out of life and should get a long way in engineering which seems to be his ambition. R.W.S.

BROCK ROBERTSON MUSELLS. When Brock first arrived at B.C.S. we little knew what type of man we had on our hands. We were soon to find out. He is a man who finds politics and state affairs far more interesting than school work and it will not be an insult to say that he knows more about the former than the latter as he knows a good deal about politics. Brock is in the Seventh Form this year as a Head Boy and is taking part of his Senior Matric, and another subject of his Junior with which he had some bad luck last year. As has been hinted above, he likes politics and though this is just a guess, his future will probably lead to some government position where his stubborn arguments and irrepressible roars of laughter will probably frustrate and amuse his associates.

R.W.S.

GOVERNOR-GENERAL'S SHIELD

1927

1929

1934

1939

Sixth Form

J. W. PRICE. Bill came to the Upper School from the Prep in 1940 and immediately proved himself a first class all round athlete. In his neutral year he made the First Football and Cricket teams. The following year he became a Head Boy and made all the first teams. Last year he became Head Prefect, Cadet Major in the Cadet Corps, captain of the football and cricket teams, and a beautiful goaler on the Hockey team.

This year found Bill at the zenith of his powers. He has been captain of the first football and hockey teams; he resigned the captaincy of the cricket team in order to give someone else a chance. For the same reason he retired from the Cadet Corps. His performances at football and hockey brought paeans of praise from the newspapers as well as the spectators. In one memorable game the School team scored 49 points, of which Bill scored 29 personally. His playing on that occasion was probably the most superb exhibition of football ever seen at B.C.S.

Bill is without doubt the most universally popular boy in the School. There is no aspect of school life in which he has not excelled, unless it is construing Virgil. This year, however, he is laying for that latin paper and we have no doubt he will succeed in passing. It will be a great loss to the School when he joins the Navy next summer. We are sure that he will rise as rapidly there as he did here. Good luck, Bill. J.M.C.

MICHAEL SYDNEY WALLACE. In 1939 Mike entered the Prep and soon distinguished himself in his one year there. Coming into the Upper as a new boy in the third form, he played all the usual sports. Last year as a Senior in the Fifth, Mike was on the First Rugby and Hockey Teams and he has also been a staunch supporter of the Choir. This year was Mike's big year; he was promoted to a Prefect and to the rank of Sergeant Major in the Cadet Corps. He was one of the School's better quarter backs and centered the first line on the Hockey Team. At the beginning of the Second Term he was again promoted, this time to Cadet Lieutenant. In track Mike has plied his paddle too, and has done well at it. This all adds up to the fact that Mike has served the School well in his last year here. Mike hopes to join the Navy next year and wherever he goes we all wish him the best of luck and know that his ability will stand him in good stead.

C.E.N.

CHARLES ERNEST NEILL. Charlie made his presence known to B.C.S. when he entered the Third Form in the autumn of 1941. In his first year he made the under-sixteen football team and played on the Bantam hockey team. Returning the following year to the Fourth he earned his second team football colours. Changing from hockey to skiing in the winter term he made the junior ski team. During his senior year, Charlie earned a position on the first football team, and he was promoted to the rank of Lance Corporal in the Cadet Corps. Switching back to hockey, he played on the Midgets; and, never having been an enthusiastic cricketer, he ran with the track team in the Eastern Townships Track Meet in Sherbrooke. This year Charlie was appointed a prefect and was made a sergeant in the Cadet Corps. He was the mainstay of the line on the football team, and again he ran for the track team in the summer term. Charlie's plans for the near future are as yet undecided, but wherever he goes we all wish him the best of luck.

M.S.W.

DESMOND NEIL STOKER. Des entered the Prep in the fall of '38 and before he left it two years later he had made all the first teams at least once. Coming into the Upper as a new boy, he led a rather secluded life until he reached the Fifth Form where he made the First Cricket Team. On entering the Sixth Form Des was made a Head Boy, promoted Sergeant in the the Cadet Corps and was a sub for the First Rugby and Hockey Teams. He also played on the First Eleven again. This year Des was made a Prefect and promoted Cadet Corps Major. Last, he tried his hand as a Sports Editor on the Magazine Staff and this year he was named the Head Business Manager. Des is not quite sure of his plans for next year but he has a nearby College in mind. Wherever he goes however, we wish him the best of luck.

M.S.W.

BRIGHAM GROSVENOR DAY. Brig followed his brothers' footsteps into the Prep in the fall of 1940. He then in the true Day fashion made every team. During his New Boy year he was a prominent player on Fifth Team Football, then he made Midget Hockey but had to return to Montreal before the end of the year due to illness. He returned to the School in the autumn of '42 but had not recovered fully enough to take up sports until the summer when he was Captain of Under-Sixteen Cricket. Brig was a senior at Chapman's House last school year, quarter back on Under Sixteen Football Team, a valuable player on Midget Hockey Team and played an excellent game on First Team Cricket. He came back this year to find himself a Head Boy. He was captain of Second Team Football, a clean player on the First Hockey Team, and again made First Cricket Team. Brig has always been a prominent member of the Players' Club, having a leading role in last year's production — "Charley's Aunt", and starring in "Twelfth Night" this year. Brig's plans are indefinite but wherever he may go his goodwill and sporting disposition will carry him a long way, so good luck, Brig, and happy landings.

E.H.L.E.

EVAN HUGH LAMEN EVANS. Many boys will be leaving shortly to continue their studies in the Old Country but few of us will ever forget the spirit of friendship and humour that Hughie leaves behind him. One remembers him at first as a golden-haired little boy with a high pitched voice, playing soccer in the Prep, learning how to ski and skate and telling us how cricket was played in his day. During his new boy year Hugh was a member of the Bantams' Hockey team and was a member of Under-Sixteen Cricket crease. In the Fourth Form he was a prominent player for the Fifth Football team, a newly enrolled member of the Ski crease and an up and coming sprinter. Hughie passed his Senior year by turning into a mathematical brain. He made the Under-Sixteen rugby team and was a standout on the winning relay team of Chapman's House. Hugh returned in the autumn to find himself a Head Boy and a member of the first Football crease. He played fine, hard rugby for 2nd team, and turned in an amazing performance in "Twelfth Night". Hughie will undoubtedly pass his Matric with flying colours, and continue on for Cambridge, but whatever it may be and wherever you may go, we all wish you the best of luck, old boy.

"*The best of prophets of the future in the past*".—Byron.

B.G.D.

DOUGLAS FOSS. Doug breezed into B.C.S. in 1941 where his cheerful, friendly manner soon won for him the friendship and esteem of his Masters and classmates. He has always enjoyed a popularity which today is greater than ever. He has taken an active part in all sports and this year his ability has gained him a position on first football team, first ski team and first track team. Always a snappy cadet and an excellent shot, Doug was a sergeant last year and this year is Officer Commanding No. 2 Platoon. His capability as a leader was recognized when he was appointed Head Boy of Williams House. A good student and a hard worker, Doug does not have much time to spare. Last year he was president of the Model Aeroplane Club, but in order to pursue his studies more closely he declined that position this year. Nevertheless he is still sought after for advice concerning aviation. This interest in aviation has decided for him his career, and he plans to enter the Faculty of Engineering at McGill to begin his studies in Aeronautical Engineering, where we wish him the best of luck.

G.A.

ALBERT SCOTT FRASER. Six years ago Scott entered the Prep and the following year after making the Prep Hockey and Ski Teams he entered the Upper. In the Third Scott combined good class work with sports and was promoted to the Fourth. Scott passed a most successful year here and the following year was raised to the Fifth Form. In this form he made Under-Sixteen Football and Cricket and Midget Hockey. This year he again has won numerous achievements, he is head boy and made the First Football and Second Hockey Teams and was a member of the winning Track Team in Sherbrooke. Interested in Music, Scott joined the Choir. He hopes to come back next year to the Seventh Form and we all wish him the best of luck and hope that he will return in the fall.

W.E.S.

LESLIE GAULT. Les came to us from Selwyn House in 1943. In his first year he played backfield for the Second Rugby Team and then continued to set the pace by distinguishing himself on the First Hockey Team as defenceman. He was made a neutral in the middle of the second term on making the first team. His brilliant bowling for the Cricket Team was a great asset in a successful season.

This year Les came back in the Sixth and was made a Head Boy for his singular

achievements during his first year. Again he showed his sporting abilities by making all three teams and there are few in the School who can rival him in such sports as hockey, football, cricket and tennis. His affable personality has helped to make the Sixth the best there is. Whether it's the Seventh Form or McGill, we all wish you the best of luck, old boy.

R.C.S.

PETER MACFARLANE GRAVES. Peter Graves came to the School in 1942 from Bridgetown, Nova Scotia. In the Sixth Form he was made a Head Boy. He made the second football team although he had an illness at the end of the season. This year he was appointed the Company Quartermaster Sergeant and was very busy at the beginning of the year issuing uniforms. He is in charge of the Colour Party for the general inspection. We wish him the best of luck in the future.

C.

T. H. McCALL. Harry came here in the autumn of 1941 from Sydney. Through his apparent joviality he immediately acquired many friends and a variety of nicknames. When Harry arrived he was slightly behind in his work, but by hard effort he climbed the ladder to first place in the class, a position nobody has been able to take from him. In football Harry rose steadily to become captain and quarterback of one of 2nd crease's three teams. He made the Bantam Hockey Team his first year, and for the last two years he has been a staunch defenceman on the 2nd team, and this year he was one of the most improved players in the School. Last year in cricket Harry became captain of the Under-Sixteen team, but this year he has changed to track. His qualifications as leader have made him a Head Boy, and also a lance corporal in the Cadet Corps. Harry expects to be back here next year for his senior matriculation, and then to go on to Queen's, but whatever he does we are sure he will come out on top.

P.S.

WILLIAM ERIC SATTERTHWAITE. After two years in the Prep where he made all the first teams, Bill was promoted to the Third Form in the Upper. After three successful years in the following forms where Bill also had his full share of team positions, he entered the Sixth Form and here he distinguished himself not only in work but as a strong point in the First Football Team and as a regular member of the Second Hockey Team. Bill hopes to return to the Seventh Form and we are all looking forward to seeing him in the coming fall.

A.S.F.

E. M. BRONFMAN. Eddie came to the Fourth Form from Selwyn House in 1942. He turned out to be a great addict of hockey and made the Midget Team. The following year found him down at Chapman House at which time he made the Orphans. This year he was captain of the Second Hockey Team. Eddie has been one of the most popular boys in his form since his arrival at the School. During the hockey and baseball seasons he remains glued to the radio and the dial remains glued to the station that is broadcasting the games. His room-mates have finally decided that no power on earth can drag him away from it and have given up all hope of hearing Jack Benny any more. He usually has a quarter backing his home team. He has worked hard this year for matric, and we all hope he will pass. His future plans are uncertain but whatever they are we all wish him good luck.

W.E.P.

JOHN MACKENZIE CALDER. Doc came to the Prep from Scotland in 1940 and the following year he entered the Upper. He struggled through his New Boy year and two years later found himself a senior in the Fifth, to the delight of the New Boys. This year,

besides his crease activities, he became a librarian. He has driven most of the masters to despair with his constant doodling in class. Most of his spare time is taken up in explaining the Conservative policy to Mussells and his room-mates, and tuning in to Toscanini. Doc has written much poetry, both doggerel and other kinds, and this year he is trying for the Kenneth Hugessen Prize. He hopes to go to Oxford after he gets his matric.

E. M. B.

ALAN G. MITCHELL. Mitch came to us from L.C.C. in 1942 as a Fourth Former. With him came a menagerie of white mice and the makings of half a dozen model aeroplanes, the parts for which he kept in classroom and dorm till they were banned to the lower regions. He survived his New Boy year, though he could never understand why the shining of buttons on Cadet Corps uniforms should take precedence over the building of aeroplanes. The following year he became a member of the Ski Team. This year he was again on the Ski Team and also a member of the Track Team. He is president of The Aeroplane Club where he spends most of his time making bigger and better planes. The rest of his time is spent in correspondence with Netherwood, especially around Yule-tide. Mitch is universally popular and we are all backing him to pass his matric. Next year he hopes to go to McGill to take up engineering. Good luck, Mitch. J.M.C.

PHILIPPE STERN. Philippe is the third in a line of brothers that have come to the School. He came here in the fall of 1941 with his two elder brothers who have left during the last two years. We are sure he will carry on the standard which they have set. Philippe started in the Third Form and is now in the Sixth and a Senior. In football he played on the line in the House League and played a good game. He comes from France and so he doggedly set out to learn our Canadian winter sports. The first three years he took skiing and this year learned to play hockey. In the summer term he takes up Track with great zeal and is out at crease every day. This year he also took the job as School Librarian and ran the library very efficiently. In the Players' Club Philippe has been a staunch supporter and had a leading role in "Twelfth Night" as Duke Orsino. We are certain that we will always find him successful wherever he goes. T.H.M.

STANLEY A. BIARD. He came to B.C.S. in 1943 and entered the Fifth Form. He hailed from Percé, Que., and was immediately received as a very amiable fellow. He passed into the Sixth Form easily. This year he played Senior House Rugby and was the mainstay on the first line of the 2nd Hockey Team. He expects to take a commercial course at Stanstead College next year.

IAN RICHARD RUTHERFORD COX. In the autumn of '43, a taxi loaded down with boys stopped at the front door. The last to get out was a curly haired, good looking but bashful new boy. Ian is another one of our English visitors. He started out his new boy year by making fifth rugby team. In the winter, he was an able member of Tyros hockey crease. He ended up the year by making first cricket team. At last he had found a game he could play. This year he was a notable member on second team, and again found himself on Tyros and shone with glory on first cricket team. He has been a hard worker both years. He distinguished himself in the Debating Society and at the beginning of this year he was made a Lance-Corporal in the Cadet Corps. He was later appointed a Corporal. He was chosen as the best recruit last year and is living up to those standards this

year. Ian hopes to return to England this summer, but is not sure. Anyway Ian, wherever you go and whatever you do, we all wish you the best of luck.

"Poets are all who love and feel great truths, and tell them."—Bailey. P.M.G.

JAMES A. MACDIARMID. Came to B.C.S. this year from the utopia of Quebec where he had attended the High School of Quebec and the Quebec High School. Jim fell into the School stride very well, and besides first setting himself up as the 'Compton Cavalier' at the beginning of the first term he shone at the end spot on the line of first crease's second team. An ardent student, Jim applied himself accordingly and made good use of the time between the rugby and hockey seasons. During the latter he was the star 'find' of the year for the "Champion" Orphan team and regularly appeared on first crease. After a sparkling holiday Jim took track instead of cricket and in the afternoon he may be seen running to and from a distant pine tree, excellent conditioning. Like the rest of the Sixth Form, he has settled down to hard work and he should get a good matric, after which he intends to attend college and become, according to last reports, Dr. MacDiarmid. Best of luck, Jim.

J.D.M.

DEREK MARTIN. Derek came to B.C.S. from the ancient city, Quebec, and entered the Fifth Form. Since then he has made first crease Rugby, second crease Cricket, and played defence on first team Hockey. Derek's jokes and "Sinatra" singing have always managed to keep up the Form's spirit which is very low at times, especially after exams. He isn't sure what his plans are for next year, but he hopes to go to Queen's to take Commerce. His keen sense of humour and clear understanding of things will be a great asset to his future. Best of luck, Derek.

J.A.M.

RONALD HICKEY. Ronald came to B.C.S. in 1943 and entered the Fifth Form. His results were very good and he returned this year for the Sixth. He is very popular and has made both Second Team Football and Hockey. He is a good track man and has won the five-mile cross country both years.

RAYMOND SETLAKWE. Raymond, better known as "Set", entered the hallowed halls of B.C.S. with a definite purpose in mind: namely, to combine work and sports to the best of his ability. He has done both admirably, and we are all hoping he will get a first class matric this year.

Set came to us last year, and since then has made several teams. He starred as goaler for Midgets last year, and this year was a very able sub-goaler for first team. Rugby season saw him move from the under-sixteen team to second team. Set has also been an excellent debater. We all wish him the best of luck in whatever future he has in mind. L.G.

GILBERT ARNOLD, JR. Gilbert came to B.C.S. this year and being in the Sixth Form was made a neutral. Popular with everyone, Gib was talked into the positions of manager of the football and hockey teams, making a very good job of both. Having a heart ailment, he works this excuse to get out of all unnecessary work. However, as he has been on the Reserve Army, he has a good deal of military experience and has therefore taken up the position of Sergeant-Major Instructor. Gib, while everyone else is hard at games, can usually be found arguing with Brock Mussells over current political topics. He is going to MacDonald College next year where we wish him the best of luck for his B.Sc. (Agr.)

D.D.F.

Fifth Form Notes

The fifth form boys are a grand young crowd,
Some are quiet and many are loud.
To name them all would take some time,
I also doubt that this would rhyme.
So instead of that we'll tell to you,
What most of us like best to do.
Now some play baseball, some like track,
Some like cooking in a shack.

Some like reading, some like cricket,
A few might get a one way ticket.
Many like football, lots like soccer,
A few play tag around their locker.
They often call us birds of a feather,
We really get on quite well together.
We all have fun, we all are friends,
And this is where our poem ends.

J.A.H.A.

Four-A Form Notes

In B.C.S. there is a class
Renowned both far and wide,
The "Dungeon" it is sometimes called,
Sixteen in it abide.

There's "Bickerdyke" and Hugh Bignell
The only pair of B's,
The latter when he's brought to wrath
Has the former on his knees.

Dear Athol and the mighty "Cod"
Are Montrealers strong,
To say who's brainy and who's not
Would be distinctly wrong.

The next we find is Ernest Dawes,
Then comes Peter Jekill,
One's a famous brewery man
The other's nothing special.

Here we have two sturdy "Scots"
MacDougall and McCulloch,
MacDougall is a maniac
But that's nothing to the other!

Beefy Milling the peroxide blonde,
Mr. Five by Five is he;
Close behind him chugs the "Boat",
Our Commodore to be.

Monroe's a child from Newfoundland,
The "Cod's" trustworthy minnow,
Almost as small is little "Mole"
A Cheshire lad you know.

At last we have Norm Solomon
Of journalistic fame,
And a water-fowl is in our midst
He's "Ducky" Sheard by name.

The fifteenth man is "Rabbit" Stairs
Not what the name implies,
To end up comes Neill Warneford,
Charles Atlas in disguise.

Dear friends we find we must depart,
For there's no more to tell,
And if our poem you do not like,
Then we won't take it well.

J.M.R.
N.S.S.

Four-B Form Notes

Four B is a class of small population
With Henry Setlakwe its main sensation.
Peter Winkworth talks of nothing 'cept his lovely curls,
While Paul Sim holds his own with most of the girls.
Dave Glassford, or Slim, as he's commonly called,
Keeps tiny Paul Winslow from being brutally mauled.
Eric Jones hails from Bedford, the unknown part,
An expert at softball; but, as is Bob Hartt,
Bill Scholes is an expert, one who is, oh-so rare,
And is training to tussle with Yvonne Robert.
Johnny Ross and Carl Webster many battles may win,
But Doc Winder keeps contact with their nearest of kin.
One must not forget young Albert Corlett,
Nor Tom Price nor Red Burland whom we're glad to have met.
So here ends the saga, or, as you may see
Of the noisy and jovial, but brainless Four B.

Poet: Unknown.

Three-A Form Notes

CAN YOU IMAGINE:-

Almond ever being backward in his studies?
Ballantyne ever beating up Faerman?
Brodeur ever getting further than Theorem II?
Campbell ever liking the School?

Cresswell ever reducing to less than 150 pounds?
Evans ever liking cricket?
Faerman ever getting his hair cut?
Furze ever keeping his mouth shut?
Gilmour ever taking a hat less than 'eight'?
Hutchison ever learning to spell?
John Lawrence ever paying attention in English class?
Don Lawrence ever not being called 'Gremlin'?
McCreery understanding Mr. L's arithmetic?
Moore ever appreciating Mr. T's latin?
Ogilvie ever being tidy and neat?
Pattison ever knowing any French or not being able to draw an exact square
freehand?
Rider ever forgetting how to skate?
Stearns ever getting 50% in algebra?
Whitehead ever raising a row?

Three-B Form Notes

COURERY II. Ray lives in Farnham. He played on the Fortress hockey team last winter and is on third crease cricket. He is quite smart when he tries.

HICKIE II. Eric is a city man. He was sub on the first bantam hockey team, but was a regular most of the season. He, too, is on third crease cricket.

JAMESON. Ian comes to us from St. Hyacinthe where, no doubt, he got his great ability for making airplanes and cars. He shows great patience in everything he does.

LE CHEVALIER. Jacques is newly arrived from French Morocco and France and now is staying in Montreal. Although he has been here at school only since April he has picked up English very quickly. He is very athletic.

MACFARLANE. Mickey, of first bantam and Under-Sixteen Cricket fame, lives in Montreal. He leads the form in school work.

MARTIN II. Ross spends his home life in Dorval. He always has a good joke ready to brighten up the form's spirits. He is another third crease cricketer.

McMICHAEL. Mickey is one of those lads from Quebec and usually has a curious, perhaps mysterious, smile on his face. He is a good junior skier and now spends his afternoons on third crease cricket.

MORGAN. Bob is a Montrealer whose jokes are very abundant. He was quite a sensation both as goaler for the Fortress hockey team and as a member of the third cricket crease.

PRICE IV. Keith, like Mickey McMichael, comes from Quebec. He likes making airplane models and is good at cricket and hockey.

PRICE V. Jack lives in Montreal and is amusing to play with on cricket and hockey creases. Like his namesake, he enjoys his ability to make model airplanes.

SCHEIB. Vitol is close to his home, which is in Sherbrooke. He played on Spitfires as a sub-goaler and has made some fantastic catches on third crease cricket.

A.R.M. and G.C.

Chapman's

In a few weeks one more year for Chapman's House will have ended and I am sure that the year will always be remembered for Les Gault's abundant and generous gifts of days and the nightly wrestling bouts of Chuck Neill and Jock Ford.

The House in the last two terms has been very well represented in sports. On the first hockey team Les Gault, Robin Pitfield, Hart Price and Johnny Allan, were all prominent members. Lorne Walls and Williams were the only two to make the first Ski team, however, such expert skiers as Jeff Skelton and George Seely were present to show that Chapman's House always goes forward no matter how it is done.

This term Jock, Les and Hart were the three representatives on the first cricket eleven and Chuck, Robin, Jock and Johnny Allan on the track team.

I would like to take this opportunity to thank Mr. and Mrs. Moffat on behalf of the boys and myself for their interest in the House. For those of us who are leaving this year the very best of luck.
P.D.G.

Williams'

We wish to thank Mr. and Mrs. Patriquin for the enjoyable year we all have spent at the House.

Everyone participated in sports throughout the year; Doug Foss and Alex MacKenzie were on first rugby team, while Derek Martin, Ian Cox, Stan Biard and Ron Hickey made second team. Hickey, during the Autumn term, became the first double winner of the Boswell Cup by taking the Senior Cross-Country for the second year in a row. In skiing, both Doug and Alex made first team, of which Alex was captain; the rest of the House played hockey, with Derek on first team, Hickey and Biard on second, and Cox the leading light of a scrappy Tyros crease. This term, Hickey has been a star on the Track team, and, along with Foss, scored a splendid first at the Y's Men's Track Meet in May. Cox is a mainstay on First Cricket.

In the Cadet Corps, the House has its fair share of distinctions, and scholastically, its members bid fair to break much better than even with the McGill examiners.

It is rumoured that Martin and Hickey are returning to B.C.S. next year for Senior Matric, but Doug, Stan, Ian and Alex are finishing this term. No matter what they may choose to do, best o' the best to them all.

RECOLLECTIONS

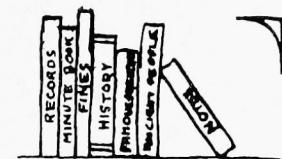

In the bustle of life, in the whirlpool of time,
'Midst the storm and the strife of the perilous climb,
Where there's no turning back and there's never a stop,
When you hitch up your pack and you strive for the top,
Your soul oftentimes wearies, your footsteps grow slower,
Your brain vaguely queries, "The cliffs are no lower?".

Then the vision of school and of comrades you knew
Youth's powerful rule reawaken anew;
Then the echoes ring out from the caverns behind
In a thundering shout that arouses your mind,
"Keep fighting, keep striving, the summit's worth winning,
For troubles arriving are triumphs beginning."

G. E. JANNER
Hurst-Pierpoint School, Brighton.

DEBATING SOCIETY

1879

OFFICERS FOR 1944-1945

Chairman	- - - - -	R. L. YOUNG
President	- - - - -	P. R. SATTERTHWAITE
Chief Secretary	- - - - -	R. C. SETLAKWE
Secretary	- - - - -	V. R. BENNETT
Treasurer	- - - - -	H. R. CLEVELAND
M. C.	- - - - -	P. BRONFMAN

RESULTS OF THE DEBATING SOCIETY DURING 1944-45

SATTERTHWAITE	- - - - -	1293 Grant Hall Medal
SETLAKWE	- - - - -	1162 Chairman's Medal
BRONFMAN	- - - - -	936 Society's Medal
CLEVELAND	- - - - -	902
BENNETT	- - - - -	817
MUSSELLS	- - - - -	798
COUREY	- - - - -	708
McMASTER	- - - - -	642
Cox	- - - - -	395

The Society had another brilliant year, holding the record for number of debates, equalling any year in oratory and excelling all in seriousness of atmosphere. Every possible topic of the day was thrashed out thoroughly with maturity, and a gravity in keeping with the pervading influence which the war brought.

There were three outstanding speakers who should go far; one a "stormy petrel", another, who, from a weak beginning blossomed out, as regards the Society, to unexcelled grip and mastery of any topic, and poise in its delivery, the third, proxime accessit, also a weak beginner, is on his way to equal the other two in sound argument, while there are several others heading in the same direction.

Amongst our former brilliant speakers there are two former Presidents and the Society congratulates Lieut. C. L. O. Glass, R.C.N.V.R., on his appointment to the Headmastership of Ashbury College, Ottawa. He was President of the Society in 1932 and won the Grant Hall Medal in 1931 and Bar in 1932. The Society also congratulates

Major John W. H. Bassett who was President of the Society in 1933. He won the Chairman's Medal in 1932 and the Grant Hall Medal in 1933. He has been chosen as the Progressive Conservative Candidate for Sherbrooke in the forthcoming general election.

SOME OF THE YEAR'S DEBATES

HAT NIGHT

"That the Ruhr industrial section should be an international mandated territory."

Speaking for the affirmative were: Satterthwaite, McMaster, Cox, Bennett and Cleveland.

For the negative: Setlakwe, Courey, Bronfman, Mussells.

For the motion—5. Against—4.

"That this Society is of the opinion that the war will be over in 1945." The motion was lost 3-6.

"That Russia will help the Allies to knock out Japan." The motion was carried.

"That Churchill is the greatest living man." It was carried.

"That this House is in favour of conscription."

"That this Society is of the opinion that the rulers of China have not done the best possible for her."

"That it would be to the advantage of the Low Countries to form a close alliance with the British Commonwealth of Nations." The motion was lost 4-6.

January 13th: "HAT NIGHT"

January 20th: "That Britain should have interfered in Greece". The motion was carried 8-2.

January 27th: "Closing the race tracks is justifiable." Carried 4-3.

February 10th: "Russia is the greatest military nation." Lost 6-2.

March 3rd: "Canadian Airmen are the best in the World." Lost 3-5.

March 10th: "The Liberals will win the coming election." Won 5-2.

April 14th: "HAT NIGHT".

April 21st: "The San Francisco Conference is doomed to failure without President Roosevelt." Lost 6-4.

April 28th: "The German people should be treated as war criminals". Lost 6-7.

May 5th: "That Mackenzie King and the Liberal Government will be returned to power in the coming election". Carried 8-4.

May 12th: "Germany should not be allowed to rebuild as an industrial nation." Lost 4-10

The Players' Club

A Players' Club of some forty boys, including a few veteran stars of "Housemaster" and "Charley's Aunt" formed in September and got to work at once on a rather more ambitious project than usual — a production of Shakespeare's comedy "Twelfth Night".

The play was produced on Thursday, April the 19th, and played to what is believed to have been a record house, which included many visitors from Compton, Sherbrooke and Lennoxville High Schools and other local schools.

In producing such a play with an all-boy cast the romantic side of the plot had of necessity to play second fiddle to the comic side, and the strangely assorted hangers-on in Olivia's household were given a good opportunity to star and took advantage of it. Sir Toby Belch and Sir Andrew Aguecheek, although now nearly three hundred and fifty years old, found themselves as lively as ever in the persons of Brigham Day and Hugh Evans. Throughout his part Day showed a shrewd appreciation of the subtleties of each succeeding situation, and his experience stood him in good stead when accurate timing was demanded. Evans's part is full of opportunities for the invention of "business" and his imagination produced plenty of comic by-play which his sense restrained enough to avoid scene-stealing. These two were aided in their connivances by Michael Page, playing a very spirited Maria with a good appreciation of her importance to the plot. Michael Wallace played Feste, the Clown, and gracefully gambolled and sang his way in and out of various scenes. He worked hard on his dual role in the "Sir Topas" scene. Fabian was played by Jim Sewell — a far cry from the witch in "Kidnapped" in the Prep seven years ago — and a fine piratical-looking Elizabethan he made.

Malvolio, a part which calls for great conceit and artificial dignity at the beginning, degenerating into fatuousness, near-madness and disillusioned fury, taxes the skill of any professional actor. Robin Miller worked hard on this role and did a good job. He was particularly effective in the scene with Feste and "Sir Topas", where his voice seemed to have greater range of expression.

Christopher Milling was the Countess Olivia, and her appearance made Sebastian's sudden marriage more credible than it appears on paper. Milling carried a long and exacting part with dignity and an intelligent interpretation of his lines.

Duke Orsino and his court were played by P. Stern as the Duke — quite a change from Amy Spettigue in "Charley's Aunt"—and N. Solomon as Valentine, G. Furse as Curio, and M. Macfarlane as a lord.

The Lawrences, John and Don, played Viola and Sebastian, and we venture to say that Shakespeare himself would have been pleased to find twins who looked the part as well as they. Viola's role was lengthy and hard, and when the two met in the last act the situation needed careful playing to make it convincing. Each of the twins had been rescued by a sea-captain, and Paul Almond made the most of his short scene, while Don Faerman proved a powerful, swashbuckling Antonio.

I. Calder played a most sanctimonious priest, W. McCreery a very shipwrecked sailor, T. Price a police officer, and E. Hickey, another officer, made the most of his big moment in arresting Antonio.

F. R. Pattison, Esq., designed the scenery, and with Mrs. G. Moffat's assistance produced stone walls and roses which were not only effective but conveniently mobile, so that the intervals were not as lengthy as in some productions of Shakespeare. Lorne Walls stage-managed the show, and his crew included Sweeny, Corlett, MacDougall, McCulloch, Hartt, R. Martin, W. Scholes and Sim. Electricains were Cresswell and

Moore; Property Men, Hutchison, J. Scholes and Stairs; Costumers, Mussells, Winkworth and Solomon. To Mussells also should go the credit for a very well-organized Costume Room. D. Sheard was Prompter and W. Boswell provided piano accompaniment in several scenes. D. Stoker was Assistant Director.

Mrs. Bensley rallied to our assistance as usual in directing the female characters; Mrs. Evans, Mrs. Patriquin and Mrs. Pattison produced some very effective costumes.

W. A. Page, Esq., was kind enough to coach Wallace in his singing parts and Boswell in his accompaniment.

This year we do not have to add the usual "Play produced by special arrangement . . . etc." but there is another item just as frequently found on programmes of plays produced in the Eastern Townships — thanks for the technical advice and assistance of A. T. Speid, Esq. Mr. Speid's unfailing interest in and knowledge of dramatics came to our aid again in the last desperate days of rehearsals, and like most other dramatic societies for miles around we are very grateful to him.

To our mind the most significant feature of the whole production was the way in which the Middle School boys handled long and complicated roles with ease and understanding, giving us a number of experienced actors for the future.

The Science Club

Early in February, our Secretary-Treasurer George Seely, resigned from office and was succeeded by B. McMaster who was entrusted with our records and performed efficient service.

Topics in Physics discussed in the course of our weekly meetings included:

- (a) Mechanical Equivalent of Heat.
- (b) Electrolysis.
- (c) Pulleys.
- (d) Meteorology.
- (e) Electricity.

We greatly appreciate the efforts of Satterthwaite II who presented a number of carefully planned demonstrations in chemistry including such topics as the solubility of ammonia and the tests for the Halogens.

Le Club Français

The permanent members of the Club this year have been: M. Ballantyne, C. Ballantyne, H. Burland, D. Huggett, E. Jones, E. LeMessurier, D. Martin, T. Page, D. Stearns and B. Seager. Throughout the School year the Club, under the direction of Mr. Hall, has held over twenty-five meetings on Saturday evenings.

During these meetings French was spoken except where English was used to explain the various rules for games played. Each Saturday, two members in turn arranged the programme and took charge of the proceedings.

To increase our vocabulary, we played such games as: "Mots Contraires", "Lettres Mélangées", "J'ai mis dans mon panier . . .", "La Géographie", "Lexicon", "breaking up large words into smaller ones", "forming words each letter of which had a definite numerical value", "completing words with some of the letters missing", "forming words of definite length beginning with a certain letter or containing certain accents", "forming classes of words beginning with each of the letters of a given word".

To improve fluency in speech, the following were among the topics discussed: "Si j'étais millionaire", "Renseignements s'il vous plaît", "Que ferais-je si . . .?" and various questions requiring lengthy answers.

Further material to aid us in the language included group discussions, individual reading of novels, listening to stories read out by Mr. Hall.

Our meetings, lasting an hour and a half, would include some of the above-mentioned games and topics, with variety the key note to add interest. Usually, individual scores of all the games played each meeting were kept; thus interest was sustained to see who would be the final winner for the evening.

On Saturday evening, March 10th, Mr. Hall kindly invited the Club to his house for a two and a half hour meeting. We began the evening by singing several French songs with the aid of gramophone records. La Marseillaise, Le Rêve and Alouette were all included. Then many hilarious games were played, which had us fooled for quite a long

time, among which were: "Je vous passe le papier . . .", "La lune est ronde . . .", "Qui suis-je", and "Asseyez-vous sur la bouteille à lait". Later in the evening, Mrs. Hall served us refreshments which were genuinely appreciated. Our thanks to Mrs. Hall for her contribution to a very pleasant evening.

The Club met a second time at Mr. and Mrs. Hall's during the latter part of May when another very enjoyable evening was spent.

The success of the nine-year-old Club was climaxed at the final meeting which was held early in June.

B. SEAGER

The Aeroplane Club

The Club started on its third year with four new members, Ian Jamieson, Jack Price, Keith Price and Donny Campbell, as well as three old members, Pete Fisher, Jim Williams and Alan Mitchell. The most successful model of the year was a sailplane built by Jim Williams. It unfortunately ended its career by flying into the St. Francis river. Several other flying models have been built by Fisher, Jack and Keith Price, Campbell, Jamieson and Mitchell, most of which flew well. Some solid models of warplanes have been built by Williams and Mitchell, but there has been only one gas model made and this has not yet been flown. Half way through the year the Club acquired a technical adviser, Hugh Cleveland, who has been a great help whenever an argument concerning real aircraft has cropped up. On the whole it has been a good year despite the shortage of material caused by the war.

A.G.M.

Track Notes

At the time of writing this much could not be said about the Track Crease. We had an unusually rainy spring with hardly enough time between showers for the Cadet Corps. However, the crease was out a few times, and it was hoped that the Weather Man would become better disposed towards us in the last two weeks of the term.

As to the Track Meet, it was feared that the physical condition of the School in general would be too poor to take the meet, the rain having kept us indoors practically for a month. But this fear proved to be groundless on the final day. We won the Y's Men's Trophy for the Eastern Townships Interscholastic Track and Field Competition for the third consecutive year of its three year existence. In fact, we set a new record for the total number of points won in any of the three years in piling up a school aggregate of one hundred and two points. Sherbrooke came second with seventy-three points, Stanstead third with sixty. The other schools strung themselves out from forty to zero.

The fact that all schools had suffered from the wet track season was born out by the high total run up by our larger number of athletes entered and the few records broken during the day.

The Track Meet was a signal success from our point of view in more respects than one. Over and above the winning of the Trophy, we strengthened our grip on the position which we have always held in the Eastern Townships for good sportsmanship. The attitude of our team, without exception, was exemplary, and the traditional Purple and White spirit was at its best throughout the day. Bishop's was very noticeably the chief contributor towards the cheerful and friendly atmosphere that possessed every person on the field and left a lasting impression on them.

Sherbrooke and Stanstead were strong again this year in the senior and intermediate running events. Time and facilities for training of this sort are rather restricted at B.C.S. However, in the senior class, Bill Price gained a third in the 100 yd. dash while H. Cleveland ran third in the 220, and A. Mitchell and R. Williams were second and third respectively in the half mile. The senior relay team took second place. In the field events, C. Neill and H. Cleveland were first and second in broad jump while D. Foss and Bill Price were first and second in high jump. Bill Price was first in discus, with Neill second, and Bill Arnold took first in shot put with Bill Price third. The seniors ran up a total of thirty-nine points, lead by team captain Bill Price with a total of ten points and his share in the relay. Neill gained eight points and ran in the relay team. Cleveland had four points and ran in the relay. Foss brought in five points and did his lap in the relay. Arnold had five points, while Mitchell brought in three and Williams one. W. Satterthwaite, E. Evans and H. Setlakwe were also entered on the senior team.

The intermediates accumulated thirty-three points. In the runs, J. Ford won the 100, R. Pitfield and J. Allan were second and third in the 220 and R. Hickey won the half mile. The relay team was second best, being made up of Ford, Pitfield, Allan and R. Molson. Ford won second place in the broad jump, while Webster took the high jump and Pitfield tied for second in this event. J. Arnold won the discus throw and placed third in the shot put. Ford brought in the highest number of points, having a total of eight and his relay. Arnold had six points, Pitfield had five and his relay, Webster had five, Hickey had five, and Allan had one and his share in the relay. S. Fraser, P. S. White, H. Bignell and J. Skelton were the other intermediate entries.

The total number of points brought in by the juniors was twenty-one. D. Stearns won the high aggregate crest for his class, having a total of eleven points and being a member of the relay team, which ran an easy first and set a new record. Stearns was second in the 75 yd. dash, third in the 220 and second in the broad jump. J. Ross was first in high jump, with Stearns third. Stearns was again second in the shot put. Members of the junior relay team were D. Stearns, W. Boswell, R. McMaster and J. Ross. Other entries on the junior track team were F. Rider and D. Huggett.

A fine midget team was supplied by the Preparatory School. They brought us nine points which, considering the fact that there were only four entries and they had very little opportunity to practice, was no small contribution. P. Bird was third in the 50 yd. dash, and second in the broad jump. The midget relay team won its event, and its members were: P. Bird, R. Mackie, C. Neil and C. Rankin.

G.W.B.

B.C.S. FIRST SKI TEAM, 1945

Back Row: R. L. EVANS, Esq., D. FOSS, H. CLEVELAND, L. WALLS, J. WILLIAMS, C. G. M. GRIER, Esq., Headmaster
Front Row: P. FISHER, R. MILLER, A. MACKENZIE (Captain), A. MITCHELL

Skiing

This season ski practices featured frequent competitions, and three Cross Country Races, three Slaloms and two "Downhill-Slaloms" were run on our own terrain. Competitors, both Seniors and Juniors, won points in these races, 20 for first place, 19 for second and so on; these points counted in the awarding of Ski Cups, and in the selection of teams to represent the School.

The L.C.C. meet was held on Feb. 17th and carried over until Feb. 18th because of stop watches living up to their name. The Cross Country was held on the course paralleling the Q.C.R. tracks to the kilo and back by the river level, and L.C.C. won the race with 100 points to 96.15. The Downhill and Slalom Races were run at Hillcrest and we are most grateful to the Hillcrest Ski Club for their co-operation. L.C.C. won both these events, gaining 100 points in each case to our 91.89 in the Downhill and 85.05 in the Slalom. The combined points came to: L.C.C., 300; B.C.S., 273.09. (For the interest of historians, in 1944 at St. Marguerite's it was L.C.C. 300, B.C.S. 255.7; in 1943 at B.C.S. and Hillcrest, it was B.C.S. 289.1, L.C.C. 286.9.) So the Louis Cochand Cup remains at L.C.C.

The Annual Eastern Townships Interscholastic Meet was held at North Hatley on Feb. 24th. A team of Seniors brought us back the 35th Battery Team Trophy for the sixth successive year, and the Juniors got the 35th Battery Junior Trophy for the fourth year out of six.

The following comprised the First Ski Team. They are listed in the order in which they placed in the L.C.C. Meet: A. Mackenzie, Captain; R. Miller, A. Mitchell, D. Foss, P. Fisher, L. Walls, J. Williams, H. Cleveland.

The following skied for the School in the E.T. Schools Meet: L. Walls, J. Williams, P. Fisher, D. Brown, D. Faerman.

The following were on the Junior Ski Team in the E.T. School Meet: H. Burland, M. Ballantyne, D. Campbell, B. Evans, J. Scholes.

The Senior Whittall Cup was won by Alan Mitchell, the Senior Porteous Cup by D. Faerman, and the Junior Porteous Cup by B. Evans.

THE RIVER

Rolling, churning, leaping high,
The water turned to stormy black;
A bolt of lightning lit the sky
And thunder's whip was heard to crack
Upon each rising mountainous wave
Whose touch demands a human grave.

Both wind and water now swept in
Upon the waiting, crouching land,
But Mother Earth would ne'er give in
Without a fight, against this band
Who'd dare to slash the smiling face
Of Nature's peace, of God's good grace.

Yet, suddenly the wind abated,
The surging surf was sent astray,
A sign that He who has created
World and water in six days,
Will protect His noble art
With lasting love and jealous heart.

P.F.B.

Hockey

The gleam of silver on oaken panels, brought back to Bishop's by last year's de luxe team, lost none of its brightness in the past season, and a fifth B.C.S. shield goes up on the A.O.B.A. trophy to mark the 1945 record. From top to bottom, it's been a grand year for School hockey.

Good sportsmanship, versatility and growth marked the season's play. We received several warm tributes on our record in the first field; our goalkeepers played defence, our forwards proved to be good netmen, and left wing shots turned in creditable games on the starboard rails, whenever the needs arose. Five minor teams operated under the aegis of the Q.A.H.A., and Orphans blossomed into a truly commendable team which won, on its merits, Second Team colours and the right to wear a tasseled tuque. Tyros, that super-enthusiastic crease, fought its way into a regular share of ice time, and it is most pleasing to record that two of last year's Tyros were mainstays on Q.A.H.A. teams in 1945. The Prep's open air rink swung into full production, and anyone who observed the Prep Second and Third Crease games was certain to recognize the improved calibre of our ten-year-olds' hockey.

A word more about sportsmanship. Two observations concerning the School's reputation are well worth repeating. The first came from M. Antonio Parent, Secretary of the East Angus Juveniles. Incidentally following a Bishop's win on Angus ice, M. Parent, in a letter, said, "I am sure that if other clubs played hockey the way you do, and if they could be as good sports as you are, we should never see any fighting as we have recently."

Some of the fighting referred to produced a crisis in E. T. Juvenile Hockey. Mr. Forrest Keene, District Convener, finally appointed a pair of referees for all remaining league games, but with this proviso: "Games in which B.C.S. participates are not included in this ruling." Mr. Keene then explained to the local press that, "there is never any trouble when Bishop's is playing, and the choice of referees will be left to the discretion of the two managers."

These tributes were, obviously, unsolicited, and came from men who have known us as rivals — in Mr. Keene's case, for over ten years. Much as we enjoy winning, we cannot but feel that the distinguishing mark of the true amateur athlete is the manner in which he wins—or loses. We are proud to record that that diminishing species continues to fly at Bishop's. May it increase; may successive years produce teams which will maintain and enhance our good name, for, as Shakespeare said:

"A good name in man or woman, my dear lord,
Is the immediate jewel of their souls.
Who steals my purse, steals trash,
'Twas something, nothing, and has been slave to thousands.
But he who filches from me my good name,
Robs me of that which not enriches him,
And makes me poor, indeed."

FIRST TEAM HOCKEY RECORD

Sherbrooke County Juvenile League:

B.C.S. 1 — Canadiens 2. Lost
 B.C.S. 6 — East Angus 3. Won.
 B.C.S. 1 — Canadiens 3. Lost.
 B.C.S. 3 — East Angus 7. Lost.
 B.C.S. 4 — Air Cadets 1. Won.

Exhibition:

B.C.S. 3 — U.B.C. 1. Won.
 B.C.S. 3 — U.B.C. 2. Won.
 B.C.S. 4 — Old Boys 5. Lost.

Ashbury Old Boys' Association Trophy Series:

B.C.S. 2 — L.C.C. 0. Won.
 B.C.S. 7 — Ashbury 0. Won.

FIRST TEAM PERSONAL SKETCHES

STOKER, goal. Des was, on occasion, brilliant, and his showing in the Ashbury Cup games was letter perfect. At times, his tendency to leave the nets and to spill incoming opponents was annoying, both to the visitors and to ourselves. On the whole, his work was better than average; but for his exhibitionism, he would have been amongst the top flight goalies of recent years.

PRICE I, captain and left defence. Bill's hockey career at B.C.S. has been as varied as it has been successful. Starting as a left wing and centre in the Bantam group, he gave us the finest three year service as first team goalie that we ever expect to see, and this year, doffed his pads to help out the defence. He helped it, needless to say; as a blocker, cover man and a starter of plays, Bill qualifies for a place among the School's all-time greats. (That seems to have a very familiar ring!) Bill had three goals, seven assists, and drew two minor penalties, in nine games.

GAULT, right defence. Second year on team. He developed a much improved passing game this year, and checked hard, though too often his charges into the boards left the team shorthanded. In nine games, Les got three goals, passed for five more, and spent twelve minutes in the penalty box.

WALLACE, centre. Second year colours. Mike's scoring record was 9-9, an indication that he was a very capable and unselfish pivot man. Whether breaking up plays, or breaking cleanly on his own forays, he was a joy to watch — unless one happened to be on the opposing team. Spent six minutes with the penalty timers.

PITFIELD, left wing. Filling in for Wallace on last year's second line was all that Rob needed to prepare him for a starting job at left wing, which position he played most acceptably. Ten goals, four assists and four minutes penalties make his statistical record, but here was a real team player, who was always in position, always on the move.

PRICE II, right wing. A greatly improved player, Hartt took Bill's and Gault's forwards from any angle, and rushed them in to the enemy zone with a speed which surprised most everyone. Shooting from his wrong side, he scored twice and had two assists, with no penalties, in nine games.

DAY, centre. The backbone of second line, and call man when we needed extra scoring punch. Brig's five goals were opportune ones, and the fact that he had no assists was not because of selfishness; he set up a good many scoring chances but his wings were generally unlucky.

ALLAN, left wing. Johnnie's speed and willingness to check back saved many a goal. Once he gets his hands farther apart on his stick, and confidence in front of a goal, he'll pay off in scores. 1-1-0 record in nine games.

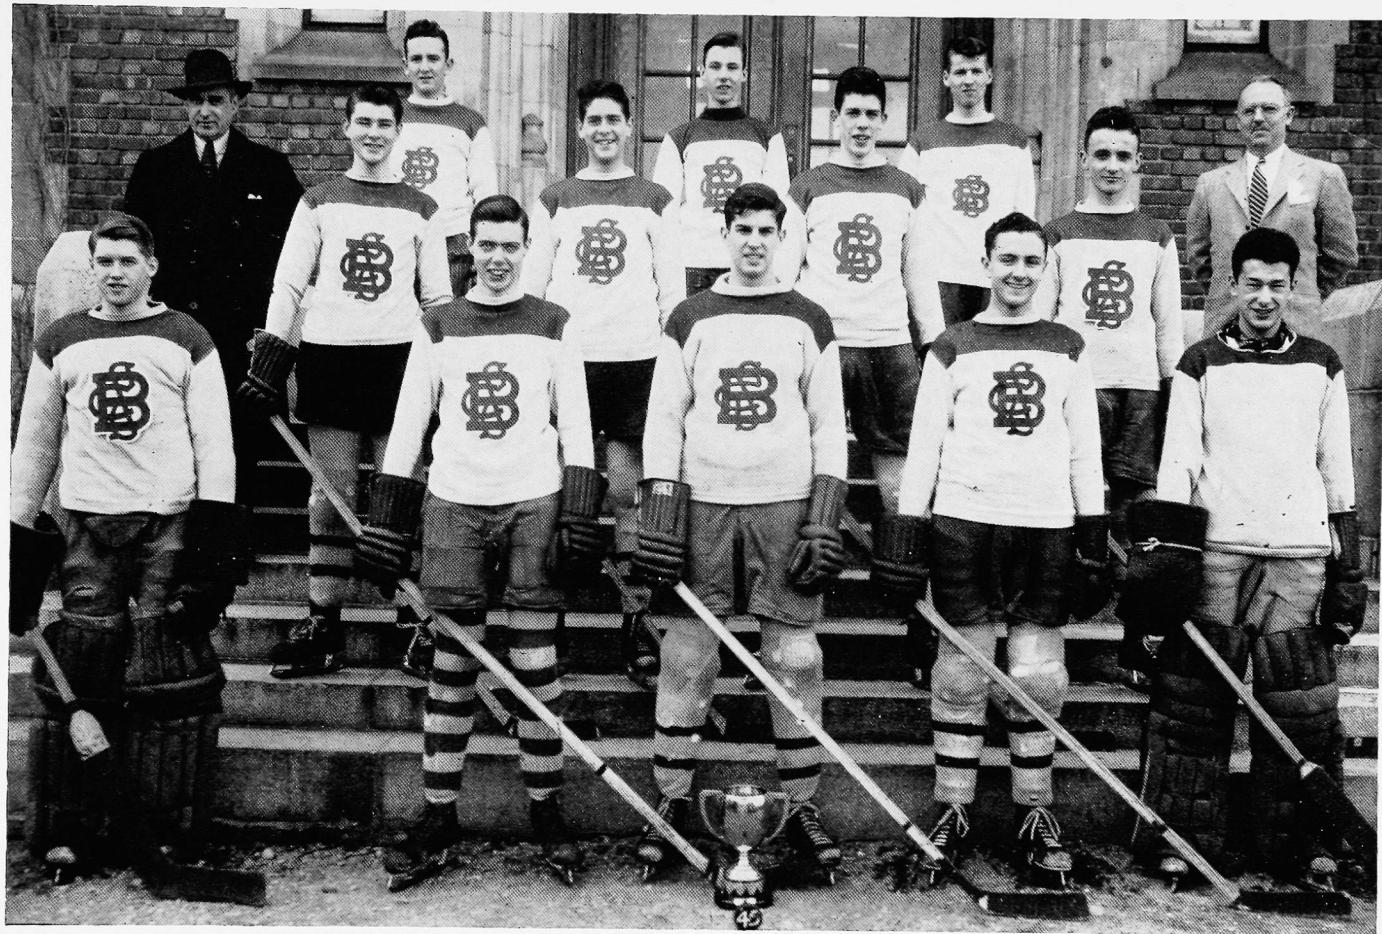

SATTERTHWAITE, right wing. Found the change from defence to wing very difficult, but tried, perhaps too hard, to make the grade. One goal, four assists, and a minor penalty for an accidental trip.

SETLAKWE II, right wing. Henry's left handed shot didn't help his scoring on right wing, and the faster pace of First Crease Hockey was perhaps a bit too much for him in his first year on the senior team. His game picked up noticeably in the latter part of the season. Had one assist and a minor penalty in nine games.

MARTIN, defence. Martin played in nine games, and though he saw relatively little action in most of the games, he turned in a very useful performance. In the last game of the season against the College, he teamed with Price for the whole game, and the rear-guard looked as strong as it had at any time in the season. If he comes back for a Senior Matric, he'll be a top notcher — unless his beloved Aces send for him in midseason.

SETLAKWE I, goal. Ray's one appearance, in the last period of the high-scoring East Angus game, was eminently successful. Another possible senior matricker, he shows great promise.

GERALD M. WIGGETT, Esq., B.C.S. '09, coach. Certainly, none of the teams we play are more thoroughly coached than the School. This was apparent more than ordinarily the past season, when Gerry produced a good team out of material that was none too well balanced. "If that team only had Gerry to bring them along," — "Our boys are faster, but your team is so well coached," — "Dat Monsieur Wiggett, he's a good man," — these are some of the comments heard during the past season which only confirm the assurance that B.C.S. has felt for years concerning the man who moulds our teams.

FIRST HOCKEY TEAM

Back Row: G. M. Wiggett, Esq., H. Setlakwe, B. G. Day, J. H. Allan
Middle Row: P. R. Satterthwaite, H. L. Price, R. H. Pitfield, M. S. Wallace, C. G. M. Grier, Esq., Headmaster
Front Row: D. N. Stoker, J. D. Martin, J. W. Price, Captain, L. H. Gault, R. Setlakwe

B.C.S. vs SHERBROOKE CANADIENS

JANUARY 23. LOST 2-1

In the first game of the season, the School was edged out 2-1, the game being played at the Arena in Sherbrooke. During the first period the play was fast and hard hitting with both teams testing each other out. Finally, after seven minutes of play, Canadiens scored from a scramble in front of the net. But, less than a minute later, Satterthwaite rushed the length of the ice and fired from the blue line. The puck hit the Canuck goaler but careened into the net to tie the score.

The second stanza was very evenly fought, with both teams checking hard, so it wasn't till after six minutes of play in the third frame that Canadiens scored the clincher from another scramble before the nets. The School continually threatened their opponents thereafter but were unable to score the necessary goal. Throughout the game, play was fast and clean, with only one penalty to the School and two to Canadiens. This Canadian team, incidentally was nosed out in overtime by a single goal in the Provincial Juvenile semi-finals, and was an exceptionally fast and tricky club.

SCHOOL vs EAST ANGUS

AT EAST ANGUS, JAN. 31. WON 6-3

The School ran up a 6-3 score over East Angus in a scheduled game played at the latter's rink on very fast ice. East Angus took the opportunity of the School's slow start by scoring the initial goal of the period, but Bill Price came back instantly on a solo rush through the East Angus team. The School kept pressing and was rewarded by another goal scored by Wallace on a passing play with Satterthwaite and Gault. A minute later Wallace again combined with Pitfield in the last score of the period, the latter scoring from close in.

The second period brought three more goals to the School. After two minutes of play Pitfield and Bill Price broke up the East Angus defence. Price passed to Pitfield who tapped in the puck from close in. East Angus scored their second goal on a snappy pass play which foiled our defence's efforts. The final School goals came a minute apart, the first off of Pitfield's stick on a bad clearing by the East Angus defence. Wallace scored the final goal on assists from Bill Price and Satterthwaite. The period ended with the score 6-2 for the School.

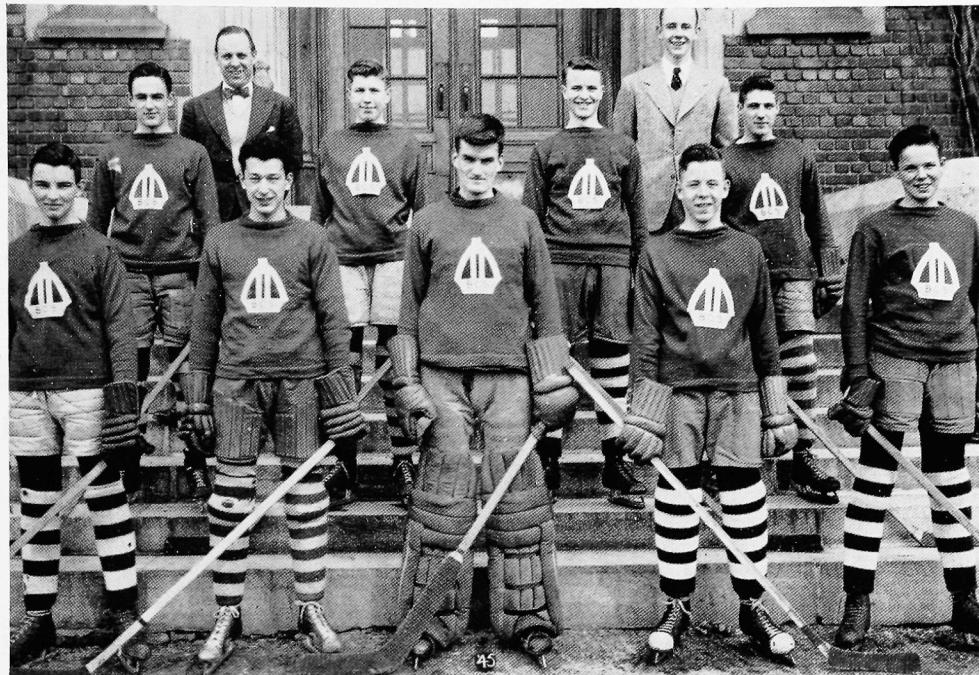

In the final period East Angus scored the lone counter late in the period. Play was very close and both goalies stopped many shots. Only two penalties were handed out, one going to each team.

SCHOOL vs L.C.C.

Memorial Rink, Feb. 3, Won 2-0

The team shut out Lower Canada College, 2-0, in the opening game for the Ashbury Old Boys' Cup. Having won the cup last year, the School was the defending champion and went out in top condition.

B.C.S. got off to a flying start and set a hot pace, holding L.C.C. in their end from the opening whistle, and were soon rewarded. Pitfield snared Mike Wallace's passout at the blue line and scored on a screened shot through a maze of players at 2.23 minutes. From that point on, the game became mostly defensive, and all scoring chances were turned aside by the goalers.

SECOND

Back Row: A. S. FRASER, J. G. PATRICKIN, Esq., R. M. HICKEY, S. A. BIARD, R. W. STEVENSON, R. A. WILLIAMS
Front Row: W. E. SATTERTHWAITE, R. SETLAKWE, J. A. SEWELL, E. M. BRONFMAN, Captain, T. H. McCALL
Absent: J. A. McDARMD

In the second period, checking became heavier and rougher. At one point the School had two men in the penalty box, but L.C.C. was unable to score.

The teams were evenly matched in the third period, too. Hard checking on the B.C.S. defence kept furious L.C.C. drives under control, and Bill Price, clearing one of these forays, slapped the puck to Pitfield in front of the L.C.C. goal. His shot was deflected off an L.C.C. player into the cords, making the score 2-0. The rest of the game was wide open, but good goal keeping by Des Stoker kept the visitors from scoring, and the game ended 2-0 in our favour.

L.C.C. played a hard game but could not fathom our defence. Darling and Molson were the pick of the visiting squad.

L.C.C.'s team was: Goal, Graftey and Wallace; Defence, P. Flanagan and Reaper; Forwards, Molson, Darling and Pincke; Subs, Hutchison, Holland, Young and D. Flanagan.

SCHOOL VS CANADIANS

AT THE MEMORIAL RINK, FEB. 6. LOST 3-1.

In a wide open, raggedly played game, the School lost out to Sherbrooke Canadians by a score of three to one.

Two goals were scored in the opening stanza, both by Canadians, to give them a two nothing lead which they never relinquished. The second period was fast and clean, no goals were scored in this period but both goalies played stellar hockey to avert them.

In the last period of the game the School opened strong and the old form started to appear. Only at the eight minute mark did the School come through when Gault picked up a loose puck at his own defence and stickhandled up to the Canadians blue line. The puck went over to Pitfield who lifted it into the right top corner. A few minutes later Canadians came back with the clincher on a snappy passing play. The remainder of the game was played in the Canadians territory but no score resulted and the game ended with Canadians the victors.

SCHOOL VS AIR CADETS
MEMORIAL RINK, FEB. 13. WON 4-1

In a fast hard hitting game, the School defeated a fiery but lighter Air Cadet team 4-1 at the Memorial Rink. Play was fast throughout and cleanly contested with only three penalties being handed out, two to the Air Cadets and one to the School.

From the opening whistle it was apparent that the teams were evenly matched and it wasn't till the half way mark that Wallace slapped in a loose puck from a scramble around the nets. A few minutes later H. Price banged in the rebound from Pitfield's shot.

Both teams tightened up in the second stanza and checking was close. However, at the half way mark Pitfield passed back to Bill Price at the Air Cadets' blue line, and he sizzled a low shot into the bottom right hand corner to make the score 3-0 for the School.

In the final period Air Cadets snapped in their lone counter to rob Des Stoker of his shutout. Until the final few minutes play was defensive and neither team got any break, but with only two minutes to go Wallace broke loose with H. Price and Pitfield fed the puck to Hart Price and he in turn skirted the Cadets' defence and slapped it over to Pitfield, who rolled the puck into the corner of the net from close in to end the scoring of the game.

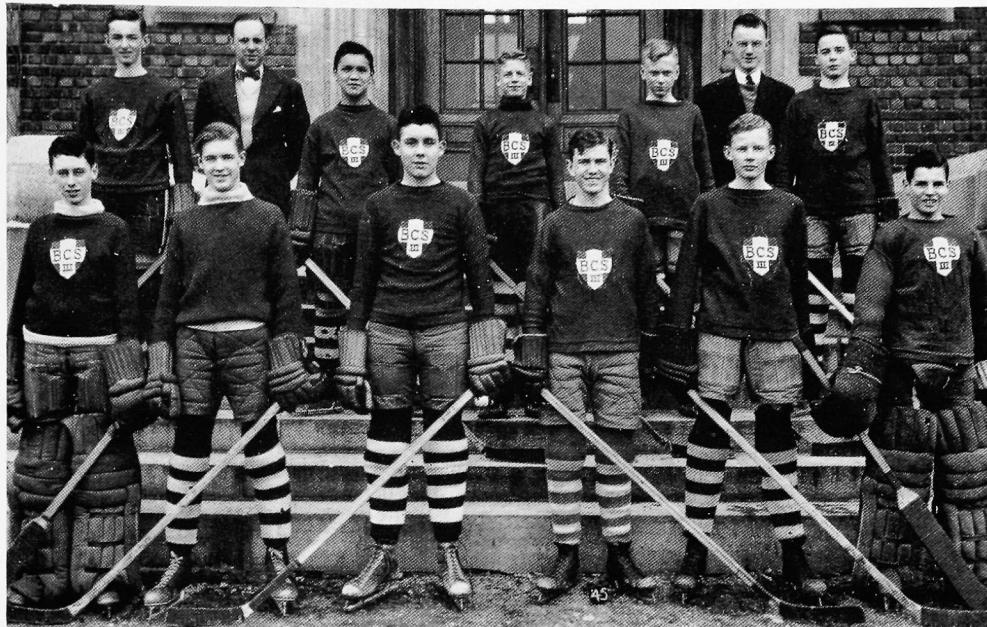

B. C. S. 7; ASHBURY 0

Saturday, Feb. 17th, marked the return of B.C.S. to the Ottawa Auditorium after an absence of some years. It appeared to be a momentous occasion; our last visit to the Capital had not been too successful, and the Ashbury team was reportedly much stronger than the team which lost to B.C.S. in 1944.

The game was barely underway when Wallace and Gault whisked through the tri-colour defence and the latter beat Sablin from close range. Five minutes later, Captain Bill saw Mike unmarked in front of the homesteaders' cage, and laid the pass exactly where Wallace wanted it; Mike did the rest with precision. Brig Day, four minutes later, was third man on a straight-down-the-ice relay; Price bee-lined a clearance to Allan, Johnnie iced it to Day at the Ashbury blue line, and Day, clear of his check, raced in on goal with his head up, to score.

The second period was even more productive. A Price and Wallace collaboration, with Bill on the firing end, sent us four up, and the same pair repeated less than two minutes later, though this time it was Wallace who administered the coup de grace. Pitfield outfooted the Ashburians at 9.00, and swung in with as pretty a goal as he scored all season. Three minutes later, Martin followed Price's example to send Brig Day off at the centre line with a straight down-ice pass. Day again made no mistake for Bishop's seventh goal.

Ashbury threw everything into the last period, and held off all B.C.S. thrusts, but Stoker took care of every Ashbury breakaway, and the game ended, 7-0.

ABENAKIS MIDGET HOCKEY TEAM

Back Row: W. D. SWEENEY, J. G. PATRICKIN, Esq., P. SIM, D. R. HUGGETT, R. M. HARTT, J. W. WINDER,
R. W. McCREERY

Front Row: E. D. LEMESSURIER, P. S. WHITE, E. W. JONES, R. J. FORD, Captain, R. C. HOWARD, T. E. PRICE
Absent: H. A. Boright, D. M. GLASSFORD

After the game, Coach Bill Touhey, congratulating us, remarked that we were "much, much superior." Mr. Archdale's happy inspiration furthered the cause of good sportsmanship, as the teams lunched together at the Chateau Laurier.

Ashbury lined up: Goal, Sablin; Defence, Mingie, Price; Forwards, Elliott, Pillgrim, Thomas; Subs, Reid, Breithaupt, McBride, Hall, Richardson.

SCHOOL VS EAST ANGUS MEMORIAL RINK; FEB. 20. LOST 7-3

East Angus put down a first period threat by the School to score a 7-3 win on our ice.

In the first period Hart, Price and Wallace combined to score the initial goal, Price sinking the puck from close in. A few minutes later Allan made the score 2-0; breaking away with Setlakwe on Gault's pass out, he went in to score on a hard angle shot. However, in the last few minutes of play, East Angus snapped in two quick goals on fast passing plays.

The middle period brought a closer checking game and only at the half way mark was a goal scored. East Angus with their better passing scored a fast break. However, a few minutes later Pitfield tied it up again on a scramble around the East Angus nets. Play was fast and hard hitting in the period and both goalers stopped many shots to keep the score at 3-3.

The final period brought four goals to East Angus, whose passing plays had our team a bit bewildered. The game ended with the score 7-3 for East Angus. On the whole the game was fast and hard hitting, only three penalties being handed out, one to us and two to East Angus.

SECOND TEAM HOCKEY

Twelve enthusiasts, too old for Midget Hockey, formed the Orphan squad this year, and to them must go much credit for the fine showing of our minor teams. Winners of all their home games, they also played two cracking good fixtures against strong opposition away from home, losing narrowly on each occasion.

Defensively, they played nearly perfect hockey for the most part, and showed their sometimes faster opponents that dogged backchecking can render the flashiest forward lines impotent. Their strong three-man rearguard blocked, rushed and laid beautiful passes up ahead where the opponents' speedsters were left far behind our own fast-breaking forwards. Two well balanced forward lines wasted a minimum of shots, covered consistently, and did not draw a penalty in their five closely contested games.

In goal, Sewell gave a consistently stylish display which rounded out his part as our indispensable Mr. Hockey. Ice maker, official, Tyro defenceman, rink superintendent and solid goalkeeper, Jim was a hockey season in himself.

At the close of the scheduled season, Orphans nosed out Abenakis by one goal in a "Tuque" series, and hoisted the mitres to prove their worth as Second Team.

MINOR HOCKEY

The 1945 season, our decennial in Minor Q.A.H.A. competition, was an outstanding success. Ten years ago, we entered our first Midget and Bantam teams. Material was scarce, and for our Bantam entry we had to borrow a tiny Ian Sewell from the overstocked Prep to play goal for our six Upper School 13-year-olds. The memory of that team is still fresh. They vanquished everything in the district, and seven very proud youngsters put up the first Q.A.H.A. Championship emblems ever to come to B.C.S. At present writing, all those champs are in uniform save two: one's repeated attempts to pass the Army M.O.'s have, so far, been forechecked; the other, Henry Grinstad, as fine a left-wing Bantam as we've had, was killed on active service with the R.C.A.F.

BANTAM HOCKEY

Due to the large enrolment in Bantam Hockey at the outset of the season, it was decided that the best way to assure all of a fair share of hockey would be to enter two teams in league competition. However, we were determined to have one team strong enough to win the district championship, so there was no attempt to draw up two balanced teams. First and second Bantam Teams were drawn up and named the "Spitfires" and the "Fortresses" respectively.

Bantam laurels came again with succeeding years, in fact, we have won the league or District title seven times, of which the Prep had three championships. In taking stock of last year's crack first team, we note, with satisfaction, that four of that squad were double champions, Bantam section, while they learned their hockey A.B.C.'s in the Prep and Middle Schools.

Our initial entry in the Midget section was not so adept, but they taught the district a lesson in courage. When they finally won a game, the whole dining-hall rose and cheered them. They took defeats, sometimes in double figures, like the grand men they have turned out to be.

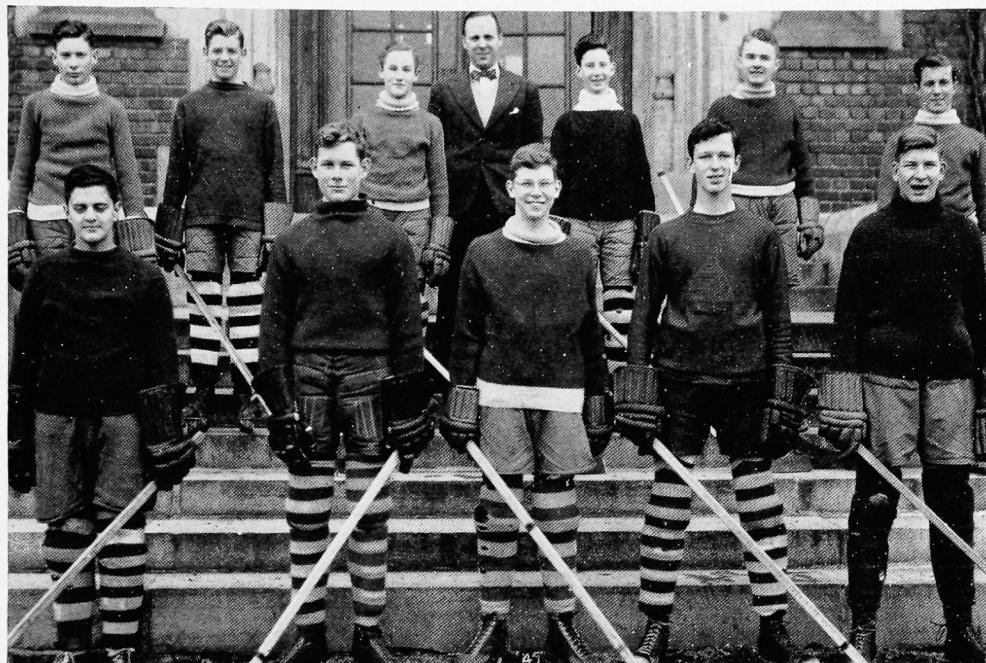

Since that experimental year, we have entered two Bantam and at least one Midget squad every year that the Q.A.H.A. operated. One year, when East Angus' fine teams had won so often that some clubs lost heart, a Junior High School league was organized in the district. We followed, for lack of other teams to play, and chased the winners down to the last minute of the playoff. Midgets have always been seriously depleted by the needs of First Team, and seldom have we been able to ice our best Midget squads. Once, First Team borrowed three Midgets to play L.C.C. in Montreal, and the younger boys contributed in large measure to the 3-2 victory at the Forum. Only once have we been able to cop the E.T. Midget Championship. That team, 1938, captained by C. W. Kenny, is another 100% active service group.

This year's successes, Bantam's three-league title, as well as Midget's fine scrap in the Sherbrooke County playoff, are only part of the story. We registered twenty-six midgets in two teams, and an equal number of Bantams in the Upper School alone. The Prep Team, younger by far than their opponents, show promise of great things to come, and their Second and Third Teams have a better-than-fair showing of stuff that is distinctly top of the basket. Eighteen players of superior quality are on hand, in the Upper alone, for next year's Minor Teams, and if the Minor graduates don't turn next year's First Team into a worthy defender of the A.O.B.A. Cup, we hope to be blown down for ragging the puck.

SPITFIRES (First Bantams)

MOHAWKS MIDGET HOCKEY TEAM

Back Row: C. A. GORDON, V. R. BENNETT, P. S. WINKWORTH, J. G. PATRIQUIN, Esq., P. F. BRONFMAN,
C. R. MOLSON, N. S. SOLOMON

Front Row: N. G. COUREY, D. M. VASS, H. B. BIGNELL, Captain, J. T. ROSS, L. T. PORTER

Absent: H. A. HAMPSON

The Spittfires were one of the outstanding teams of the School's history. In their eight league games, they ran up a total of ninety-three scores, allowing only one against them. In a sudden death playoff game against St. Pats First Bantam Team the Spittfires proved their superiority with a score of nine to nothing, making them eligible to play Racine, reputed to be the strongest bantam team in Sherbrooke. The Spittfires beat Racine fourteen—two, to win the Eastern Townships Bantam Hockey Championship.

Fred Rider, again captain, high scorer and outstanding player, proved himself a good key man for any team. Fred's speed, style, and extraordinary shot, backhand and forehand, was nice to watch, and a potent threat to the opposing team.

David (Joe) Stearns, up from the Prep this year, was the charging defenceman. Joe blocked well all season, and broke often to streak down the ice for a score. He was one of the fastest skaters on the team.

Ian McCulloch, another old Prep boy, brought with him a reputation as a play-maker, and was therefore put at center in first line, between Rider and Monroe. Ian was a fast skater, and responsible for many well handled plays. He was vice-captain.

Denis (Moony) Monroe, serving his second year as an Upper Bantam, was again to be seen buzzing busily and very effectively around at right wing, despite the fact that he was still diminutive by comparison with his teammates.

"Mickey" Macfarlane, new from Westmount, was in hospital most of the season but acquitted himself very well at center on second line while he was at school. He was excellent material.

John Gilmour was probably the best blocker and clearer of the defencemen. He originated many scoring plays, and during Macfarlane's absence, filled in his position forward.

Tim Ballantyne, an old Prep boy, proved to be a sturdy support on the left wing of second line. Tim has good style, and what may well be the beginnings of a good shot.

Don Lawrence, new from the Prep, played right wing on second line, and center during Macfarlane's absence, Gilmour or Hickey going to right wing. Don was light, but fast and wiry. He missed very few opportunities at the opposing net, proving to be very tricky in that respect. He was eligible for another year of Bantam Hockey.

Tom (Butch) Cresswell, one hundred and fifty pounds of him, was again the hard hitter and blocker of the defence, though perfectly clean and nice about it. He usually had his own way in his defence zone as far as opponents were concerned, and shared the honors with his fellow defencemen for launching many organized plays.

Eric Hickey was the lightest member and the weakest skater of the team, but never lacked courage and determination, and made himself very handy as a utility player. He still had another year in the Bantam age group.

John Lawrence bore out the good reputation as a goaler which he brought with him from the Prep, gaining nine shut-outs in as many games. His style bordered closely on perfection, and he played every shot easily and with safety. He was responsible in large measure for the several shut-outs of the season. He was young enough for another year in Bantams.

Vitol Scheib, understudy to Lawrence in goal, performed well in crease all year, and finished the season with a wonderful game against Racine, when he had almost as many shots on net as Lawrence had all year, and allowed only two very difficult ones to pass him.

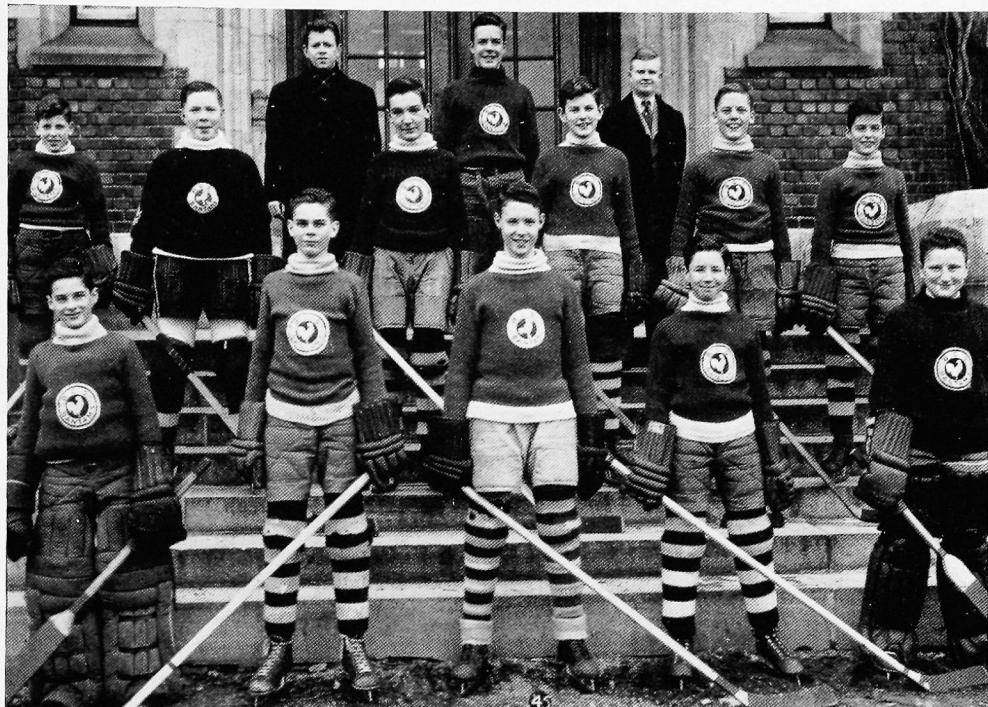

The team is indebted to Thomas Dudley Page for his many kind offices as manager during the season.

G.W.B.

FORTRESSES

Name	Scores	Assists	Total	Games Played	Penalties Minutes
Almond.....	6	..	6	7	..
Milling.....	4	..	4	7	2

Courey.....	..	1	1	7	..
MacDougall....	7	2
Pattison.....	7	..
Price IV.....	7	..
Ogilvie.....	7	..
Whitehead.....	7	..

The Fortress team was made up of players who would probably not have had any league hockey if only one team had been entered in league competition. They were for the most part beginners. However, as a team, they had plenty of spirit, particularly

SPITFIRES BANTAM HOCKEY TEAM

EASTERN TOWNSHIPS BANTAM CHAMPIONS, Q.A.H.A.

Back Row: G. W. BUCHANAN, Esq., D. M. STEARNS, T. D. PAGE

Middle Row: E. C. HICKEY, T. B. CRESSWELL, J. R. GILMOUR, A. R. MACFARLANE, C. C. BALLANTYNE, D. M. LAWRENCE

Front Row: J. M. LAWRENCE, I. L. McCULLOCH, F. F. RIDER, Captain, D. W. MONROE, V. SCHEIB

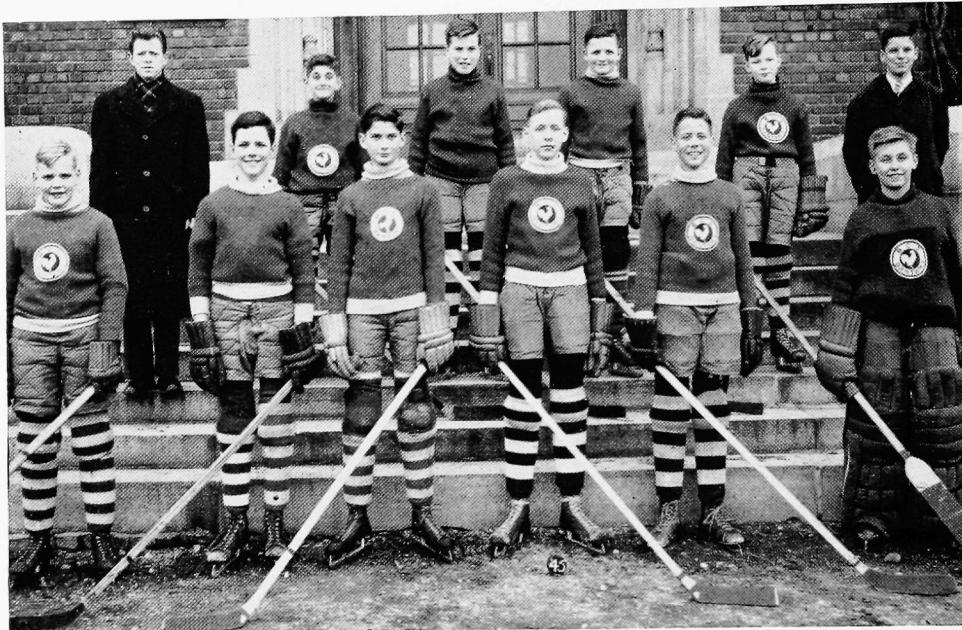

against the almost unsurmountable odds of the Spitfires, whose superior speed, weight and power staggered the Fortresses but did not daunt them. The Forts were the only team in their league to score against the Spitfires. Individually the second team were eager to learn and quick to improve.

Paul Almond, captain and high scorer, was new to the School. He was center on first line. Paul would have gained a position on the Spitfire team had he not been sorely needed to bolster the Forts.

Christopher Milling, from last year's Prep team, played a good season on defence. He blocked well and broke on every opportunity to lead the attack. He had a strong shot, which tallied four times on rushes.

Douglas Sheard, new from the Prep, was a beginner who played left wing with Almond. Douglas was a weak skater, but displayed a knack for assisting on scores and being "on the spot" to receive passes in front of the opposing goal. "Duckie" was the youngest boy in the Upper and had another year of Bantam hockey before him.

Raymond Courey, new to the School, played center on second line for his first year of league hockey, being eligible for Bantams again the following year. He had the makings of a fast player, with more weight and strength.

FORTRESSES BANTAM HOCKEY TEAM

Back Row: G. W. BUCHANAN, Esq., R. COUREY, R. K. PRICE, R. A. PATTISON, D. SHEARD, J. T. PRICE

Front Row: C. D. MILLING, W. W. OGILVIE, E. A. WHITEHEAD, D. P. M. ALMOND, Captain,
H. M. MACDOUGALL, R. C. MORGAN

Hartland MacDougall, a left-hander, had to play the right wing position on first line. Despite this handicap his speed and style improved tremendously during the season and he held up his side of the line.

Bobby Pattison, Keith Price and Watson Ogilvie were beginners who were quite weak on skates but were eager to improve. They filled in the wing positions on second line surprisingly well.

Edward Whitehead, of last year's Upper Bantams, was Milling's partner on defence, and played a steady, dependable game. He had a strange faculty for reaching out and "snagging" the puck away from an opponent.

Bob Morgan was the sole goaler on the team, and gained an excellent reputation as a good goal tender, holding the scores down surprisingly low against withering barrages from stronger teams.

Jack Price bore the responsibilities of manager, an essential member, particularly at games away from School.

G.W.B.

Cricket

1st TEAM CRICKET

An early spring and fine weather enabled all the cricket creases to get off to a fairly fast start. Practices in the "nets" were an almost daily occurrence, while "test" matches were held regularly on half-holidays. As Lower Canada College did not have a 1st team the prospects for actual games looked dull, but Ashbury decided to continue, and in addition a match was arranged with the "Wanderers", a first-rate Montreal team, to be played in town.

For a full week before the match against the "Wanderers" the weather had been at an ebb, but when the team arrived in Montreal on the morning of the 19th of May, it appeared that they had brought the sun with them.

After having lunched at Lower Canada, where the match was to be played, we took the field. The "Wanderers" displayed the makings of a fine offence, but steady bowling and excellent fielding on the part of the School made the defence even better, and the home team was retired for the moderately low score of 81 runs.

The School then went in to bat, but very accurate and extremely tricky bowling, particularly on the part of Casement, resulted in the team being all out for the sum of 40 runs. The best batting for the School was by Satterthwaite II who held up his end very well, and made 14 runs before being bowled out.

As this goes to press, Ashbury is expected on the 7th of June, for a match which promises to be a good one.

The First Cricket Team and the Crease as a whole wishes to extend its thanks to Mr. Grier for his untiring efforts and constant interest as our coach. We feel confident that next year these efforts will be more amply rewarded, but, at least, this season has been a most pleasant one for all concerned.

B.G.D.

ASHBURY COLLEGE AT B.C.S. JUNE 2ND.

The match commenced at 11.00 o'clock and having won the toss, we decided to bat. By lunch-time the team was retired for the small total of 32 runs, Price I having made the best show with the sum of 14.

Ashbury batted quite well, but by mid-afternoon we returned to bat, Ashbury having made 61 runs. Our second innings was even less successful than the first and the match ended with our last innings standing at 28, Day having led the batting with 14. As our complete total was only 60 runs as compared with 61 of Ashbury, they did not bat again and for the second consecutive year they retained the championship. It was very nice to see Lt. C. L. O. Glass, R.C.N.V.R., an old boy of this School, and the recently appointed headmaster of Ashbury, on hand for the match.

UNDER-SIXTEEN CRICKET NOTES

The Under-Sixteen this year, coached under the able guidance of Mr. Grier, is a greatly improved team over their predecessors.

The season opened with the team going to Montreal to play L.C.C. team. The game was a very close one, the final score being 38-29.

Norman Solomon opened the bowling and made a fine showing, getting six wickets for 10 runs. Neill Warneford and Athol Gordon bowling alternately, dispatched the rest of our opponents for 18 runs.

The fielding in general was good but the batting of both teams could have been much better.

Bob Howard did an excellent job in getting 15 runs, and was finally put out by Square-leg who made an excellent catch. The Captain, Hartland MacDougall, stayed in for a considerable time and though he only got one run it was not through lack of ability.

Ian McCulloch also turned in an excellent game behind the wicket, allowing only two balls in the whole game to get by him.

White, Price III, Gordon and Monroe also batted well, as did Scholes II. Warneford and Solomon both had a streak of bad luck, going out for two and one runs respectively, while Macfarlane was "Not out" for no runs.

We wish to take this opportunity to thank L.C.C. for their kind hospitality.

3rd CREASE CRICKET

The Montreal boys formed one team, those from outside Montreal the other. The latter, "The Farmers" showed a slight edge in both batting and bowling even after such accomplished artists as Gordon, Monroe and Price III were promoted to 1st Crease.

At the time of going to press we have not yet been successful against the Prep but are anticipating our next game with determination.

Latterly in the season Huggett joined the Montreal squad to add much needed bowling and batting to the cause.

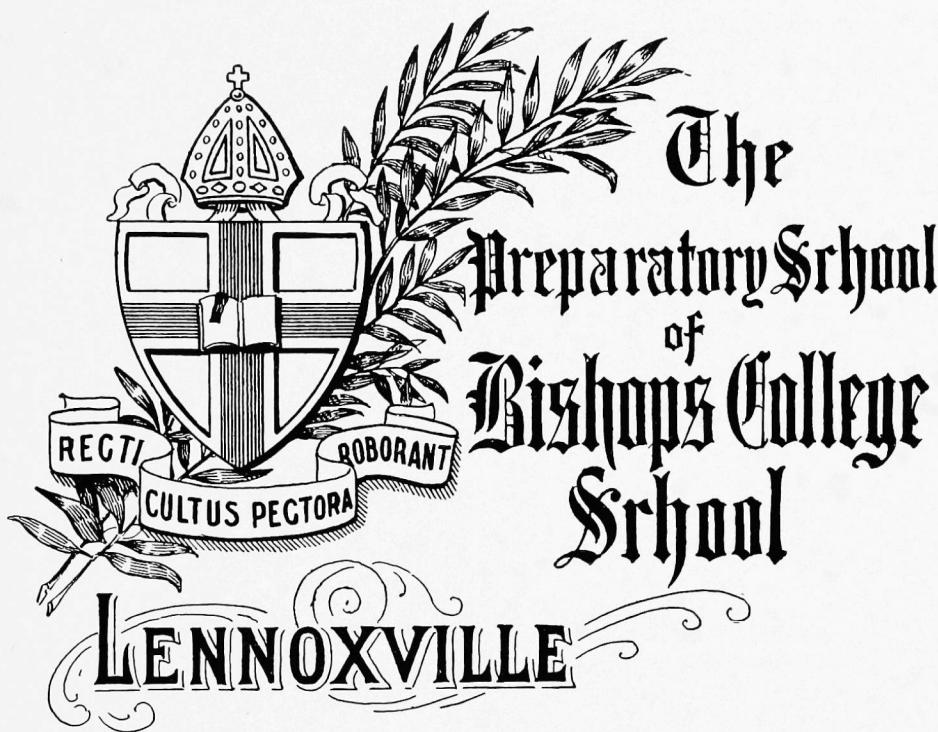

Honourable mention must be made of the following:-

TEAM	BOWLING	BATTING
Farmers	Winslow	Lawrence I
		Lawrence II
		Winslow
		Bud Moore
Montreal	Ballantyne I	Morgan
		Evans II
		Hutchison

Recognition is due to Stairs and Le Chevalier for enthusiasm shown and improvement made during the season.

SALON OF THE CHÂLET

SKI-ING

Until March 2nd, the conditions for skiing were very good and much progress was made. Every boy was given instruction under the able guidance of Mr. Evans and his assistants, Mackenzie and Stevenson, to whom we offer our sincere thanks.

To our great disappointment, the trip to North Hatley had to be cancelled owing to weather conditions which prevented us from completing the Slalom and Downhill competitions for the championship. For this reason the Junior Whittall Cup will not be presented this year.

We managed to run off the Cross Country in the neighborhood of the School. The first twelve boys in this competition were: 1. Bird, 2. Rankin, 3. Ashworth and Patterson, 5. van Millingen, 6. Glassford II, 7. Neil, 8. Jekill II, 9. Martin IV, 10. Dawson, 11. Martin III, 12. Whitehead II.

STAMP COLLECTING

Stamp collecting was really begun about 1862. By 1914 some of the early stamps had become quite valuable.

Both of my albums were made about this time, one being made about 1908 and the other about 1916.

Some of the stamps of the old Canadian provinces have become very valuable. I have three from Nova Scotia each worth fifty cents. They cost me altogether a dollar.

The most valuable stamp in existence is from British Guiana. It is worth about fifty thousand dollars.

The boys who have their stamps at school and try to get them most, are Roger Hart, John Chapman, Ronald Riley, Garvin Scott Findlay and myself. Chapman has about the largest collection of all including some stamps all the rest of us would like to have. The boys I have traded with most are Chapman and Findlay.

Some of my best stamps are from the United States, Mesopotamia, India, and Nova Scotia. Findlay's best ones are from Queensland and Venezuela. Riley's best are from Salvador.

All the boys I have mentioned except myself are collecting from all over the world. I have given up quite a number of countries as I want to get the more valuable ones.

Chapman has about 3000 stamps, Hart 600, Findlay 900 and Riley about 2000. All these boys have quite a large number of traders. I have not many. My uncle has a collection of 600 stamps which are mostly hard to get and all are quite valuable.

TOMMY PARKER, IIIB

MODEL AEROPLANE BUILDING

This is a flourishing industry in the Prep. In spare moments class rooms are usually occupied by ardent builders. When we are building, the class rooms are generally littered with model supplies and scraps. Glue is quite scarce at times, but we get on quite well just the same.

In the winter we cannot fly the models so frequently as we do now, but we made some models and put skis on them, so we had something to fly during the winter.

There are 17 boys who build planes in the Prep. Among these are: Badger, Berlyn, Baird, van Millingen, Dawson, Goodridge I, Bird, Mather, Neil, Porter, Setlakwe III. We have turned out a large number of planes during the year, and in future hope to make some really fine models.

TONY MATHER, IIIB

THE PREP WOODS

This term we have done more work on the huts in the woods than in any other term this year. Over half of the Prep is building huts of some kind, but so far only two have been finished. Nearly every half holiday the hut builders are hard at work in the woods.

It is rather annoying when the mosquitoes come around when you are trying to build your hut, but after a while you get used to it and forget all about it, especially when supper time comes. Fortunately we have been able to take our suppers out to the woods nearly every Sunday, and it is great fun.

R.G.J.

THE LIBRARY

The Library is now completing a very successful year. Mr. McMann has been in charge, assisted by Calder and Ashworth.

It is found that the Dave Dawson books are those which are most read, though many good books on hobbies, dogs, science and sport, as well as many standard authors, have also been widely read.

Many new books have been presented to the Library by Mrs. Finley, Mrs. Furse, P. Donner, Paul Cohen, David Martin, Tony Mather, Terry Grier, Dennis Martin and Mr. Howard. The Prep is very grateful to them all, and wishes here to express its sincere thanks.

The museum, which is found in a corner of the Library, was given the skeleton of a bird by John Chapman, and a partridge egg by Cleveland Neil. Our thanks also to these two boys.

D.W.A.

PREP

Back Row: P. S. HOWARD, Esq., P. C. COHEN, A. VAN MILLINGEN, D. W. ASHWORTH, Captain, C. P. BIRD, G. P. PORTER, W. A. PAGE, Esq.

Front Row: P. B. GLASSFORD, R. SETLAKWE, D. F. L. MARTIN, W. W. BADGER, G. F. DAWSON.

HOCKEY

Our team this year was quite small and below the usual average in age. At the beginning of the season, most of the players were quite inexperienced. With constant practice, however, their ability developed very rapidly.

We played against two teams from the Upper School, a team from Sherbrooke and one from Lennoxville. Most of the teams we met beat us easily and the championship was won by the "Spitfires" of the Upper.

Our misfortunes started soon after the opening of the season, when one of our defencemen fractured his collar bone. A very capable substitute took his place and put up a very good show against the opposition.

The forwards were good, making excellent passing plays and shooting well when opportunities arose.

THE TEAM

ASHWORTH — Captain and right wing. A strong skater who uses his head. Was especially effective defensively.

BADGER — Centre. A dangerous man around the opponents' goal. He should be good material on next year's team.

BIRD — Left wing. An aggressive player. Skates fast and plays a steady game. Should improve his shot.

COHEN — Defence. A strong defensive player. Needs to develop his skating.

DAWSON — Defence. Plays a vigorous game. Uses his body to good advantage. Needs to improve his skating.

GLASSFORD — Centre. A good back-checker. Played vigorously and improved very much. His passing and shooting need much practice.

MARTIN III — Goal. A reliable player. Not easily discouraged. Only needs experience to become a good goalie.

PORTER — Left wing. A good skater who showed steady improvement. Should do well on next year's team.

SETLAKWE — Centre. A good stick handler. Never gives up. Is developing a strong shot. Shows great promise. Must improve passing and skating.

VAN MILLINGEN — Right wing. A good skater who possesses a strong shot. Will improve with experience.

We wish to thank Mr. Howard for the valuable facts we learned from him. They will be a great help to us in the future. Here's wishing him many more successful seasons as a hockey coach.

D.W.A.

D.F.L.M.

TRACK TEAM

Although unable to do any proper training this year, the Prep track team, composed of Bird, Neil, Mackie and Rankin, made a very good showing at the Sherbrooke Inter-School Track Meet on the 26th of May. Bird came second in the broad jump and third in the 50 yard dash, while the relay team, comprising all four boys, gained an easy win in the 220 yard relay race. This made a total of 9 points out of the 104 with which B.C.S. again won the meet. Had it not been for bad luck Neil, who was our first string in the broad jump, would almost certainly have won further points for the School.

CRICKET

Owing to five weeks of almost continuous rain, we have not had as much cricket as usual this year, but, by making the most of the breaks in the weather, all three creases have had a certain amount of practice. Mr. Page has been in charge of Third Crease, Mr. Howard of Second, and Mr. Farthing of First.

Apart from the usual daily creases, we have had several games within the Prep which gave good practice to boys of all three creases and provided some interesting matches.

So far the first team has played only three games, two against the Upper School III Crease, and one against the Upper School, 16 and Under. The first two games we won by scores of 69 to 34, and 70 to 15, but lost our game against the 16 and Under by a score of 45 to 19. In these three games Cohen and van Millingen have made the best scores, while Ashworth, van Millingen and Mackie have done the best bowling.

On the 1st and 2nd of June the team is playing in Montreal against Lower Canada and Selwyn House; on the following Saturday, Selwyn House is playing a return game on our own grounds.

THE 24th OF MAY

The day started off very well with an extra hour's sleep, which, you may rest assured, everyone appreciated. When finally we did get up, everyone was fresh as a daisy. It was decided that some of the boys were to go on a bicycle trip to North Hatley. Unfortunately some of the smaller boys were not permitted to go because of the long distance.

With Mr. Howard in charge we started off at 10.15 and arrived at North Hatley about two hours later. From there we proceeded a mile or so along the road to the summer house of Billy Badger's family where we parked ourselves on the grounds for lunch and for a good rest up before setting out for home. As it was down hill most of the way, the trip back was better than the trip out and we arrived back at school about half past three.

In the meantime the boys who were not on the bicycle trip had gone to the woods to build huts, or had played cricket in the nets.

That evening, for our evening meal, we all had wieners, lemonade, etc., out of doors, and, after eating our fill, spent the rest of the evening in setting off sky-rockets, Roman candles and other fireworks which we had been lucky enough to buy in North Hatley. Altogether it turned out to be a very exciting twenty-fourth of May, and I am sure everyone enjoyed it.

D.F.L.M.

ART AND HANDICRAFT

For the last two years Mrs. Jones has been with us, and under her able guidance all boys have made considerable progress. This term the most important work has been the relief map of Africa, made by the boys of Remove. The leathercraft work of IIIA and the pressed cork silhouette figures on beaver board done by Forms IIIB and II have been equally important.

The following list includes all work done from January to June, 1945:

Remove: Etching on glass: designing monograms and etching on glass.
Leathercraft: suede leather belts and floral button holes.
Winter scenes painted on beaver board with pressed cork relief foregrounds.
Large relief map of Africa, in plaster.
Water colour, pastel, and ink drawings.
Ornamental brackets with flower pots.
Lessons on perspective. Making pictures to illustrate.
Pictures framed in passe partout.

IIIA: Relief pictures on beaver board with pressed cork and carved balsam wood foregrounds.
Leathercraft: making leather purses and wallets in brown leather.
Valentines in water colour.
Charcoal drawings of ebony model of elephant.
Letter racks in woodwork and masonite.
Memory drawing in pastels.
Water colour study of violets, and design for border of same.
Checker boards.
Soap carving.

IIIB and II: Pressed cork silhouette figures on beaver board, water coloured.

Leathercraft: suede book markers.

Telephone pads.

Wall brackets in masonite and wood.

Figure drawing.

Pastel, pencil, and water colour drawings.

Match scratchers and stamp cases.

CRICKET

On June 1st the Prep defeated L.C.C. (Under Fourteen) by 6 wickets and 101 runs. The Prep batted first and scored 112 runs for 4 wickets; L.C.C. then batted and were retired for a total of 11 runs. Ashworth and Cohen were top scorers for the Prep with 42 and 30 not out respectively. In bowling Ashworth took 6 wickets for 10 runs, Cohen 3 for 0 runs, and van Millingen 1 for 1.

On June 2nd the Prep defeated Selwyn House (Under Fourteen) by a score of 88 to 52. After our first wickets had fallen very cheaply, Cohen pulled the game out of the fire with a fine innings of 42 not out. Monier-Williams made 13 and Ashworth 12.

In bowling Ashworth took 4 wickets for 14 runs, Cohen 2 for 8, and van Millingen 3 for 15.

On June 1st, the Prep defeated L.C.C. (Under Fourteen) by 6 wickets and 101 runs. An analysis of the score is as follows:

PREP	L.C.C.
Neil, b. Reaper	7
Spafford, b. Spiro	6
van Millingen c. and b. Bates	9
Ashworth l.b.w. Bates	42
Cohen not out	30
Martin III not out	4
Declared.	
Extras	14
Total	112
	Ballon b. van Millingen
	Wansbrough c. van Millingen
	b. Ashworth
	Bates not out
	Reaper b. Ashworth
	Murray b. Ashworth
	Spiro b. Ashworth
	Roncarelli c. and b. Ashworth

Back Row:—R. SETLAKWE; W. A. PAGE, Esq.; L. A. MATHER; D. R. BAIRD; D. B. MONIER-WILLIAMS; D. F. MARTIN;
J. C. FARTHING, Esq.; W. W. BADGER.

Front Row:—A. VAN MILLINGEN; D. W. ASHWORTH; P. C. COHEN (Captain); C. P. BIRD; R. C. NEILL.

The Gazette, February 12th.

SIR H. E. BURSTALL DIES IN ENGLAND — (B.C.S. 1883-87)

Famous Vimy Ridge Canadian Commander, 74, was born in Quebec City

Winchester, England, February 11. — Lt.-Gen. Sir Henry Edward Burstall, who commanded the 2nd Canadian Division during the Vimy Ridge and Passchendaele actions of 1917, died Thursday at his home, Headbourne Grange, near here, aged 74.

Death of the distinguished professional soldier, who fought in the South African War as well as the Great War, was announced Friday night.

Born in Quebec City, he went to South Africa as an infantryman in 1900 after 10 years in the Canadian permanent force. Trained as an artilleryman, Sir Henry, after the outbreak of the Great War, went overseas in command of the 1st Divisional Artillery.

He assumed command of the 2nd Division when it was stationed at Vimy Ridge directing its activities through the operations there in the spring of 1917, in subsequent attacks on the Plain of Douai and at Hill 70 and in the storming of Passchendaele in November of that year.

Under Sir Henry the 2nd Division became noted for its raiding activities which it continued to carry out when it was attached for several months in 1918 to a British Army Corps.

After the Armistice the Division under Gen. Burstall garrisoned a Rhine bridgehead at Bonn.

Sir Henry returned to Canada to become Quartermaster-General of the Canadian Army in 1919 and a year later became Inspector General of the forces, succeeding Sir Arthur Currie.

He retired in 1923 and took up residence at Headbourne Grange.

-----------------	------------------	-------------

A sub-committee composed of the President, the Vice-President, the Secretary-Treasurer and R. A. Montgomery (1926) who designed the Grant Hall Memorial Building, have been working together with the Board and the Headmaster on plans for a suitable memorial to those Old Boys who have served in the present war.

OLD BOYS' NOTES

All communications pertaining to these notes should be addressed to:
H. L. Hall, M.A., B.C.S., Lennoxville, Que.

The mailing list of the B.C.S. BULLETIN TO OLD Boys numbers over 600 but fewer than 300 are members of the Old Boys' Association. The co-operation of these members to encourage others to join the Association is earnestly solicited.

To all Old Boys of the various services who contributed so gallantly in defeating the enemy, our most profound thanks. Words are inadequate to express the feelings of each one of us, but in our hearts gratitude is unbounded. To those Old Boys who have returned, or who will soon be returning, our very best wishes. To those still on duty, we wish a speedy return.

We rejoice to learn that the following who were prisoners of war have been released by Allied Armies: Lt. Ian MacLean, Lt. Dan Doheny, Capt. G. D. Powis, Lt. G. Buch, Lt. T. M. Barott, Flt/Lt. J. E. Asselin, W/O O. D. Lewis.

We regret to announce that Lt. Kline MacDonald was reported killed in action in the Indian Ocean on March 19th. He was on loan to the British Navy and had seen service in the Mediterranean on H.M.C.S. Carisbrooke Castle prior to being transferred to the East.

F/O Jack D. Johnston is reported missing after air operations overseas in March. W/O George W. Stairs is reported missing on active service in March. He was attached to a photographic reconnaissance unit and was solo flying in a Spitfire when he disappeared.

Capt. P. H. A. Hertzberg was killed in Italy on Dec. 5th in action along the Lamone River.

Lt. Robin Lindsay has been reported missing in action in Holland in March.

F/O C. J. P. Ramsey has been reported missing after air operations over Germany in March.

Flt/Lt. J. F. Acer and Flt/Lt. W. M. Hale have both been missing over a year and are presumed dead (March).

Flt/Lt. and Mrs. G. A. Winters lost their infant son born in February.

We extend our deepest sympathy to the families who have lost their dear ones and to relatives and friends who are in deep anxiety.

Medals and decorations have been awarded as follows:

C. B. E.:

Maj.-Gen. H. W. Foster.

Maj. Gen. W. H. P. Elkins.

Brig. M. H. S. Penhale.

D. S. O.:

Maj.-Gen. H. W. Foster

Maj. C. R. H. Porteous

Brig. C. M. Drury

Lt. Gen. K. Stuart

Brig. R. W. Moncel

Col. A. T. Paterson

Brig. D. K. Black

O. B. E.:

Brig. E. Blais

Lt. Col. P. S. Whitehead

Brig. R. W. Moncel

Lt.-Col. T. P. Doucet

Col. K. M. Holloway

Maj. E. A. Durnford.

Lt.-Col. G. W. Smith

Col. A. T. Paterson

Lt.-Col. L. P. Payan

Lt. Col. M. H. A. Drury

CROIX DE GUERRE:

Maj. L. C. Monk

Capt. C. L. Stuart

M. B. E.:

Brig. C. M. Drury.

Maj. G. deS. Lewis.

Maj. C. R. Payan.

NORWEGIAN MILITARY CROSS:

Maj. H. F. Boswell.

M. C.:

Maj. L. E. Baker

Maj. S. V. Radley-Walters

Capt. T. H. Montgomery

Capt. E. E. Chambers

U. S. SILVER STAR and AMERICAN LEGION OF HONOUR:

Maj.-Gen. H. W. Foster, C.B.E., D.S.O.

D. F. C.:

Flt/Lt. F. G. Lord

Sqn/Ldr. H. H. Norsworthy

Sqn/Ldr. G. R. H. Peck

P/O R. Fallon

MENTIONED IN DESPATCHES:

F/O J. W. Moreland

Maj. C. R. Payan

Maj. R. R. MacDougall

The late Maj. E. R. Bennett

Capt. H. W. Davis

Maj. H. F. Boswell.

Maj. W. S. Tyndale.

Capt. D. M. Skelton.

Capt. C. L. Stuart.

Gen. A. G. L. MacNaughton.

Maj. Gen. W. H. P. Elkins.

Lt. Gen. K. Stuart.

OFFICER OF THE LEGION OF HONOUR and CROIX DE GUERRE:

Maj. Gen. H. W. Foster.

NORWEGIAN ORDER OF ST. OLAF:

Lt. Gen. Sir G. Cory.

POLONIA NESTATUTO:

Lt. Gen. Sir G. Cory.

ENGAGEMENTS:

Capt. E. E. Chambers, M.C., to Miss Betty Shuter, member of the Transport Section of the Canadian Red Cross Overseas, and sister of John Shuter.

MARRIAGES:

It was announced that Capt. W. J. Johnston was to be married on May 7 in England.

It was announced from England that Maj. C. R. H. Porteous, D.S.O., was to be married on June 2nd, to Miss D. Rowe, daughter of Mr. and Mrs. B. Rowe of East Preston, Sussex.

Capt. G. H. MacDougall to Miss Mary A. O'Brien on Dec. 28th at the Church of the Ascension, Westmount, Que.

BIRTHS:

Mr. and Mrs. G. H. Montgomery, Jr., a son, in Montreal, on Jan. 1st.

Maj. and Mrs. G. W. Hall, a daughter, in Barrie, on Jan. 2nd.

Mr. and Mrs. W. M. Mitchell, a son, in Sherbrooke, in February.

Maj. and Mrs. C. J. Aylan-Parker, a son, in Victoria, in March.

Capt. and Mrs. L. G. McDougall, a daughter, in Montreal, April 14th.

Mr. and Mrs. G. McEntyre, a daughter, in Ottawa, on Dec. 27th.

Mr. and Mrs. K. T. Paton, a son, in Toronto, on Feb. 9th.

Lt. and Mrs. J. L. Rankin, a son, in Halifax, on Jan. 26th.

Capt. and Mrs. J. H. Patton, a daughter, in Montreal, on Mar. 14th.

Lt. and Mrs. C. L. O. Glass, a daughter, in Boston, on May 14th.

ITEMS OF NEWS

Hon. D. C. Abbott has been appointed Minister for Naval Services in April.

Lt. D. Dodds was a survivor from the sinking of H.M.C.S. Trentonian.

Capt. H. Banning Richardson was a member of the delegation representing British India at the San Francisco Conference. He was Minister of Education for the state of Indore up to the beginning of the war and since then has been editor of the Weekly Commentator, published in New Delhi for Allied troops.

Flt/Lt. W. G. Anglin was injured as the result of a plane crash overseas a few months ago.

Col. A. T. Paterson is commanding officer of No. 1 C.A.C.R.U. overseas.

Lt. C. L. Ogden Glass, R.C.N.V.R., has been appointed Headmaster at Ashbury College, Ottawa.

Lt. Col. P. T. Doucet, Maj. E. A. Durnford, and Maj. C. R. Payan received their O.B.E. for bravery in the European arena.

Maj. L. C. Monk and Capt. C. L. Stuart each received the Croix de Guerre from the French Government in recognition of gallant and distinguished service in the cause of the Allies.

Maj. J. G. Kemp, a former prisoner of war rescued by the American forces soon after Cannes, and Capt. C. L. Stuart have both addressed audiences highly praising the wonderful services of the Canadian Red Cross.

Lt. Col. P. S. Whitehead was awarded the O.B.E. for his prompt and efficient handling of an emergency in an Indian port. He was senior officer in charge of troops when fire broke out in a munition ship and threatened the harbour and city. He has served continuously with the British and Indian Armies since his graduation from R.M.C. in 1916.

Lt. R. S. Grier was promoted to Capt. in April.

G. Janner who returned to England last summer and who is keen to have an Old Boys Branch Association Overseas, writes that under ten of the B.C.S. boys who were at the School during the war years, are in England. He is waiting until more normal times before launching his venture and, in the meantime, is keeping the list of the 61 boys who were at the School during the war years. We hope to hear further of our English Old Boys and wish them luck in their various undertakings.

Lt. J. A. Cross was the first Canadian joining the R.C.N.V.R. who was given command of a British submarine.

Dr. S. Percy Smith, Jacquet River, N.B., writes that he is keenly interested in reading in the Bulletin all the activities of the Old Boys.

F/O J.D. Johnston had been in the Dental Corps, then in the Armoured Corps for almost two years before he transferred to the R.C.A.F., in December 1943. He was the honour graduate from Mont Joli in June '44 and went overseas in July. His plane has been

missing since a raid on Wurzburg on March 16th. He was flying a Lancaster while on his second 'OP'.

Capt. W. J. Johnston went overseas in July '42 and has seen service in Italy for over two years as a Captain in the Dental Corps. He returned to England just recently.

C. J. Brown left McGill to join the Army last fall.

Lt. Col. J. E. H. Stethem ('16-'17) is stationed at Camp Borden, C.E.M.E.

Sub.Lt. H. D. Sheppard has completed his third convoy trip on H.M.C.S. Copper Cliff across the Atlantic, the ship was in some trouble on the last trip but did not sink and no one was hurt seriously.

Capt. H. J. Sheppard was married on April 20th last in London. He has been overseas since '41 with the 1st Survey Reg't., and went through the North African Campaign, the Sicilian Campaign, and was 15 months in Italy. At present he is in Germany.

John B. Holley of Unadilla, N.Y., has received the department of French competitive scholarship at Washington and Lee University. The award is made for "excellence of performance". He has held the department of Greek scholarship and a general scholarship based on the excellence of two years work. He will study at the University of Mexico this summer and return to Washington and Lee in the fall for his senior year.

Lt. J. P. Fuller of the U.S. Navy has been promoted to Lieut. Commander.

Lt. Ned Fisher is with the West Nova Scotia Regiment in Holland.

Capt. Allen Boswell has been appointed instructor at Vernon, B.C.

Flt/Lt. H. H. Smith, No. 1 Air Command, H.Q., Trenton, has been in the R.C.A.F. (non flying) for three years and returned from overseas last December.

Bishop Williams writes an interesting letter in which he gives an account of one phase of school life in the '70's. He recalls the fire of 1873 and says that Sir Montagu Allan, Charles Holt and himself were all at the School at the time. The fire took place on a Sunday while the boys were at church. While the service was interrupted by a whispered conversation at the altar, a good deal of noise was being made elsewhere — the parish rector, Mr. Scarth, then announced, "Don't be alarmed boys, it is the School that is on fire". Then, of course, there was a stampede for the School. Very little was saved from the rooms. The Headmaster, Rev. C. Badgley, (Don Carlos, we called him) told me to go into the bookroom to try to save some of the books. The first thing that I saw was a large bundle of canes with nice red tape. I knew well from past experience what they were for, so I passed them out of the window to the waiting boys. At once there was a loud cheer and before long the canes were scattered to the four winds or possessed with glee by the laughing boys". Bishop Williams closes his letter by stating that the three old boys mentioned in his letter are all over 80 years of age and that two of them enjoy a weekly game of chess, weather permitting. Our very best wishes for many an interesting game. Even in those days, future statesmen, Bishops and distinguished business men knew what was meant by "Bend Over". (Which reminds your compiler of Mr. Wilkinson's famous "Yellow Boy" of a much later date. He remembers it starting its career as a stick of normal length and seeing it dwindle down to a few inches, its end being tied with twine to keep it together and to keep the splinters from going where they shouldn't. When he left the Prep, it was regarded as an affectionate relic since most of its sting had departed years ago; and in those days, a taste of the old "yellow boy" was almost yearned for by the boys before leaving

the Prep.) Those good old days, as the Bishop says. All will agree with him that the days at B.C.S. were wonderful ones — in his day, in your day, in our day.

R. M. Collier has transferred from the R.C.A.F. to the United States Navy and is in training at Chicago. His brother Dick, is Torp. Officer on H.M.C.S. Oshawa.

F/Lt. Ted Hugessen is due home from Egypt where he was attached to an R.A.F. station at Aboukir. His brother, Andrew, is at Cornwallis.

Capt. O. B. Richardson of the Black Watch is with the 1st British Army.

Lt. W. E. Duggan Gray was promoted to Captain in March.

Capt. W. S. Tyndale was promoted to A/Major and was in command of 54 light Anti-Aircraft Battery in Italy.

Col. K. M. Holloway is Director of Army Cadets.

G. C. J. W. Hooper is at the Indian Military Academy, Delra Dun, U.P. He expects his course to end in July. Before leaving England, he had seen Horniman and Whitehead and he expected both to be sent out to the Academy in India.

Sub. Lt. (A) D. W. Stairs, R.N.V.R., is on H.M.S. Indefatigable and at the time of writing (Feb.) he was in Australian waters. He had three attacks at the Tirpitz and later at the Palembang oil refineries.

Sqn/Ldr. W. F. S. Carter has been repatriated and is spending some time in California.

J. R. Sare is a Lieut. Commander in the Navy.

Flt/Lt. H. W. Seton in 1944 was attached to a dive-bomber squadron of the Indian Air Force on the Burma front. He is now serving as Flt/Comd. in an R.A.F. squadron of India command.

Jean Malo visited the School during the Easter holiday. He is with the Coca-Cola Company and was turned down by the army due to health. His brother, Guy, was severely wounded while serving in Italy but has now made a good recovery at home.

Jimmy Munster is at sea again in the Merchant Navy.

Maj. J. H. Bassett is a Company Commander in Seaforth Highlanders.

Baldwin (Drury) Smith is in the Pacific with the U.S. Navy.

Don Sutherland paid a visit to the School this term. He has finished an A/Aircraft Gunnery course in the Navy.

Peter Aird is a Sub./Lt. in R.C.N.V.R.

J. A. Fuller is stationed around Newfoundland. He is in the Navy.

Don Best is in England in No. 3 C.I.T.R. 16 Bn., C.A.O.

C. H. Flintoft visited the School in May. He is on H.M.C.S. Burrard, Vancouver.

Brig. R. W. Moncel, O.B.E., was awarded the D.S.O. in May, for gallantry in action overseas. He became a Brigadier at 27.

Maj. John Bassett has accepted an invitation to contest the Federal riding for Sherbrooke County as Progressive Conservative candidate in the forthcoming election.

Our hearty congratulations to F/O J. D. Flintoft in outwitting the Nazis. For six weeks he was a fugitive in Holland and left his hide-out after the territory had been freed. He was a member of the City of Ottawa Squadron and had crash landed his Typhoon when it was damaged by anti-aircraft fire.

O/S W. Rowe visited the School in May. He was on home leave and had just finished 13 months on a minesweeper in the English Channel.

M. Page and T. Page returned to their home in England in mid-May.

Maj. H. B. Glassford is Officer Com. 802 Military Government Detachment, B.L.A., which took over a Germany Landkreis in the Regierungsbezirk of Osnabrück on April 6th, when his detachment came in with 3 Div., 2nd British Army. In his letter he states: "The Kreis consists of 59 Gemeinde each with its own Burgermeister and the largest where the Stadt is situated, and also our H.Q., having a population of about 15,000 but some of the Gemeinde only run to 200 inhabitants. The Germans are obedient and appear anxious to carry out all orders which if they do not, are promptly placed under arrest and dealt with by our military government court. Our chief problem is the caring for and feeding of thousands of what we call displaced persons, which consist of the unfortunate slave labourers which the Germans imported into Germany. There are Russians, Poles, French, Dutch, Czechs, Belgians, Yugo-Slavs and Italians. We see that the Germans provide the best food, shelter and everything possible to make these people comfortable." Our thanks to Major Glassford for his answering our appeal to "Older Old Boys" to send us news. We appreciate his kindness all the more when he is so busily occupied in trying to teach the Germans a few things. We thank him, too, for his closing words, "I have always had a soft spot in my heart for B.C.S."

Maj./Gen. H. W. Foster, C.B.E., D.S.O., formerly in command of a Canadian Division on the Western Front and later appointed to command the 1st Canadian Division in Italy, is commander of the 1st Canadian Division, which took part in the liberation of Utrecht, Holland. He took over command of this city from the 30th German Corps on May 7th.

Capt. D'Arcy Lynch is Staff Captain at 4th Can. Arm'd. Bde.

J. deC. Howard is associated with the Ontario Hydro Electric. His brother, Godfrey, is on active service in the Pacific with the U.S. Navy.

P/O H. Benison is a navigator in the R.C.A.F. His wife and small son live in Lachine.

Last autumn, Capt. Bennett of Sackville, N.B., donated two scholarships, to be known as the Ronald Bennett Scholarship and the Harrison Bennett Scholarship, to perpetuate the memory of his two sons killed in France in the summer of 1944.

For the following McGill notes we are indebted to A. R. Reid.

K. Darling, B.Sc. 1; A. R. C. Dobell, B.Sc. 1; J. T. Dohan has joined the Armoured Corps, he was in B.Eng. 2; H. G. Hallward, B.A. 2; A. K. Hugessen has joined the Navy, he was in B.Eng. 2; J. Jenkins is in his final year Commerce; R. D. P. Loggie, B.A. 1; R. G. McBoyle, B.Comm. 1; D. W. McLimont, B.Eng. 2; J. H. Norris, B.Sc. 1; R. Paull, B.A. 1; J. R. Peck, B.Sc. 2; D. A. Phelps has joined the Navy as Signalman; he was in B.Sc. 1; A. R. Reid, B.Sc. 1; E. D. Taylor, B.Sc. 1; R. H. Taylor, B.Comm. 1; J. H. Jarrett, B.A. 2; G. Stern has joined the Free French Army, he was in B.A. 1; R. Cockfield, B.Comm. 3; J. S. Allen, B.Comm. 2; K. Howard; H. Norsworthy; H. Trenholme; H. Macfarlane has been recalled by the R.C.A.F., he was in B.Sc. 1; J. Howe, B.Eng. 1; W. C. Pitfield.

A number of the above-mentioned are resuming their studies after having served in the various services overseas.

Your compiler would appreciate receiving notes from Old Boys for future issues of the Magazine.

Hey Fellas!

Summer's on the way—
holidays ahead! "Sport
shirt and grey flannel
time" is here again and
EATON'S is the place to
find the sharper items for
your wardrobe. We've a
line of sport jackets that's
really a treat to the eyes,
and a nice array of con-
trasting slacks. Shirts and
ties? And how! Solid
colours, all-overs and the
latest thing in ties—glen
checks! So drop down,
men, as soon as the exams
are over and get set for
summer.

FILMO

*Makes Your
Best Movies
Better . . .*

With a Filmo Projector, any film puts its best foot forward, because of:

1. Uniformly brilliant illumination.
2. Rock-steady pictures, with no flicker, no side weave.
3. Precision manufacture, cooling and safety features protect your film.

When Filmo Projectors are released from war service, see how much better Filmo will show your movies.

Winning the PEACE

The energy and brains which have transformed this nation into a major war producer will be more than a match for the problems—and the untold opportunities—of peace. Our greatest asset will continue to be men of ability, vision and courage; men schooled by war and peace in the democratic way of doing things. It will be this bank's function, as always, to provide the essential credits they need to carry their plans through.
